## EXPLANATORY NOTE

*(This note is not part of the Instrument and does not purport to be a legal interpretation.)*

The purpose of the Intra Communities Transfer Directive (Directive 2009/43/EEC of the European Parliament and of the Council of 6 May 2009) is to simplify the rules and procedures applicable to the intra-Community transfer of defence related products.

The list of products covered by Directive 2009/43/EEC is the “EU Common Military List”. As the common military list is updated regularly, the Directive is also updated with an amended list. These Regulations implement and give effect to Commission Delegated Directive (EU) 2024/242 of 27 September 2023 to reflect the amendments made in the EU Common Military List.
