EXPLANATORY NOTE

(This note is not part of the Instrument and does not purport to be a legal interpretation)

This survey will provide quarterly statistics on output in the construction sector. These figures are important to the construction industry and this survey is supported by the Construction Industry Federation. The statistics are also required for EU comparisons under Council Regulation (EC) No. 1165/98 as amended by Regulation (EC) No. 1893/2006 of the European Parliament and of the Council of 20 December 2006. The information in these surveys facilitates the Government in decision making.
