EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations make provision supplementing Regulation (EC) No 1082/2006 of the European Parliament and of the Council on a European Grouping of Territorial Cooperation (O.J. No. L210, 31.07.2006 p.19) (“the EC Regulation”) for the effective application of the EC Regulation in Ireland.

The EC Regulation provides for the creation of a new form of body corporate, the European Grouping of Territorial Cooperation (“EGTC”) which will be governed by the Regulation. Any EGTC formed in Ireland shall also be governed by the EC Regulation.

The EC Regulation obliges each Member State to make arrangements in relation to a prospective member of an EGTC which is formed in law and in relation to an EGTC the registered office of which is in its territory. These Regulations therefore:

- 1) make provision for the establishment of an EGTC (Articles 3, 4, and 5.1 of the EC Regulation)
- 2) contain provisions about what accounting and insolvency provisions are to apply to an EGTC (Articles 2 (1) 11 (2) and 12 of the EC Regulation)
- 3) contain provisions needed to achieve effective application of the EC Regulation (Articles 4 (4), 13 and 14(1)).
