THIS INTERCREDITOR AGREEMENT (the “**Agreement**”)

is made by and between:

Kingdom of Belgium, Federal Republic of Germany, Ireland, Kingdom of Spain, French Republic, Italian Republic, Republic of Cyprus, Grand Duchy of Luxembourg, Republic of Malta, Kingdom of the Netherlands, Republic of Austria, Portuguese Republic, Republic of Slovenia, Slovak Republic and Republic of Finland (referred to hereafter as the “**Parties**”).

PREAMBLE

Whereas:

- (1) Greece (the “**Borrower**”) has on 23 April 2010 requested bilateral loans from the other Euro Area Member States in accordance with the Statement of the Heads of State and Government of the euro area of 25 March 2010 and the Statement of the Eurogroup of 11 April 2010.
- (2) Pursuant to that request, the representatives of the Euro Area Member States (other than Greece) have decided on 2 May 2010 to provide stability support to Greece in an intergovernmental framework via pooled bilateral loans (the “**Pooled Bilateral Loans**”).
- (3) Representatives of the Member States of the European Union have decided on 5 May 2010 to entrust the Commission with the tasks in relation to coordination and management of the Pooled Bilateral Loans as set out in this Agreement.
- (5) The Pooled Bilateral Loans will be governed by the provisions of a loan facility agreement (the “**Loan Facility Agreement**”) to be entered into between the Parties to this Agreement, other than the Federal Republic of Germany (“**Germany**”), and KfW (“**KfW**”) as Lenders (the “**Lenders**”) and the Borrower and by the terms of this Agreement.
- (6) Measures concerning the coordination and surveillance of the budgetary discipline of Greece and setting out economic policy guidelines for Greece will be defined in a Council Decision on the basis of Articles 126(9) and 136 of the Treaty on the Functioning of the European Union (the “**Council Decision**”), and the support granted to Greece is made dependent on compliance by Greece amongst others with measures consistent with such act and laid down in a Memorandum of Economic and Financial Policies, Memorandum of Understanding on Specific Economic Policy Conditionality and Technical Memorandum of Understanding (hereinafter referred together as the “**MoU**”) each signed on 3 May 2010 by the Borrower and the Bank of Greece.
- (7) The Commission will open an account in the name of the Lenders with the European Central Bank (the “**ECB**”), to be used for processing all payments on behalf of the Parties, KfW and the Borrower in the context of the Pooled Bilateral Loans.

Now, therefore, the Parties have agreed as follows:

1. OBJECT

1. The Parties hereby agree that the Commission will represent them in organising and administering the Pooled Bilateral Loans to be

granted to the Borrower pursuant to the terms of the Loan Facility Agreement. The Parties hereby further agree on certain arrangements among themselves relating to their mutual relationship.

2. Upon the Commission having received Commitment Confirmations (as set out in Annex 4) from at least five Parties comprising at least 2/3 of the Total Commitment (a “**Critical Mass of Member States**”), this Agreement shall enter into effect and be binding on and between those Parties which have provided such Commitment Confirmations. This Agreement shall enter into force and become binding upon each remaining Party with effect from the date when the Commission receives the Commitment Confirmation of such Party. It is acknowledged and agreed that the Commitment Confirmation of a Party may be of provisional application in accordance with the national laws and legislation of the relevant Party.
3. Germany shall designate KfW as Lender on behalf of Germany for the purposes of the Loan Facility Agreement. Germany may also appoint KfW as its delegate in relation to the performance of certain duties and functions under this Agreement provided that KfW shall not be entitled to represent Germany for the purposes of Articles 4, 7 and 8. Notwithstanding such delegation, Germany shall remain fully liable for the performance of its obligations under this Agreement. Accordingly, in this Agreement and in relation to Germany, references to Party and the duties, functions and obligations of a Party refer to Germany and references to Lenders and the duties, functions and obligations of Lenders refer to KfW as Lender under the Loan Facility Agreement acting in the public interest, subject to the instructions of and with the benefit of the guarantee of Germany provided that where a function, duty or obligation is imposed on a Lender under this Agreement, Germany shall, as Party to this Agreement, ensure to the other Parties and the Commission the performance by KfW as Lender under the Loan Facility Agreement of such duty, function or obligation.
4. Unless otherwise herein defined, capitalised words and expressions used in this Agreement shall have the meaning ascribed to them in the Loan Facility Agreement.

2. LOAN FACILITY AGREEMENT

1. The Parties agree that the Commission on behalf of the Parties shall negotiate (i) the Loan Facility Agreement under which the Pooled Bilateral Loans will, subject to the terms and conditions set out therein, be made available to the Borrower; (ii) the MoU with the Borrower; and (iii) collect and hold in safe custody any conditions precedents. The Parties (other than Germany) hereby authorise the Commission to sign the Loan Facility Agreement on their behalf, subject to the prior approval by all of them, after having liaised with the ECB. The Parties hereby authorise the Commission to sign the MoU on their behalf, subject to the prior approval by all of them, after having liaised with the ECB. These authorisations and the authorisation referred to in Article 3 shall take immediate effect as of the signature of this Agreement notwithstanding the terms of Article 1(2) above.

The Parties may participate in the negotiations with the Borrower led by the Commission.

2. The Loan Facility Agreement shall have a total principal amount of up to EUR 80 billion, corresponding to the aggregate of the

bilateral loans which may be made by all of the Lenders (referred to therein as the “**Loan Facility**”).

3. The Commitment of each Party and, in addition, in the case of Germany, of the respective Lender KfW under the Loan Facility Agreement will be the aggregate amount of the bilateral loan, as may be divided in annual tranches, which such Party (Germany on behalf of KfW) or the respective Lender has committed to make available, *i.e.* the EUR amount determined by applying the percentage set out next to each Party’s name in the third column (the “**Contribution Key**”) in Annex 2, to the total principal amount of EUR 80 billion, as may be amended from time to time in accordance with Articles 2(5)(b) and 2(7).
4. The Commitment of each Party (Germany on behalf of KfW) and of the respective Lender to provide the corresponding bilateral loan is firm and binding. It is only subject to the fulfilment of any procedures¹ that are required under each Party’s national law. Parties shall make their best efforts to complete such procedures swiftly. If these procedures are successfully completed, the Parties will then be required to participate in the Loans or ensure that the respective Lender participates, within the respective Commitment taking into account the annual tranches referred to in Article 2(3), if applicable, for the amounts to be determined by the Commission in accordance with this Agreement, subject to the decisions referred to in Articles 2(5)(b) and 4(2) as regards the release of disbursements.
5. (a) If a Lender encounters higher funding costs than those applicable to the Borrower under the Loan Facility Agreement, such Lender shall inform the other Parties and the Commission (through the Euro Working Group Chairman) and request that the interest applicable to the outstanding Loans be determined in accordance with Annex 3.

(b) If a Lender encounters higher funding costs, it may by written notice together with supporting information satisfactory to the other Lenders request the Parties (with a copy to the Commission and the Euro Working Group Chairman) to accept that the Lender in question does not participate in the Loans to be made. The decision of the Parties is to be made at the latest when they decide upon a Loan in accordance with Article 4(2).
6. An up-front Service Fee calculated on the principal amount of each Loan shall be charged to the Borrower and deducted from the cash amount to be remitted to the Borrower in respect of each such Loan (such that the Borrower receives the net amount), to cover operational costs. The Service Fee will be deducted from the cash amount remitted to Borrower in respect of each Loan (but shall not reduce the principal amount of such Loan that the Borrower is liable to repay) and will be allocated by the Commission to the Lenders actually contributing to that disbursement, proportionally to the participation of each such Lender in the total amount of that Loan. In the event of a re-allocation of the Loans made by different Lenders in accordance with Article 6(2) there shall be a re-allocation of such Service Fee amongst all Lenders who participate in the Loans on a *pro rata* basis.
7. The Borrower may only request the disbursement of a Loan during the Availability Period specified in the Loan Facility Agreement. The Parties may at any time unanimously decide to extend

¹ In particular parliamentary authorisation.

the Availability Period. The Parties may also, acting unanimously, agree to increase the Commitments and the aggregate amount of the Loans to be made available under the Loan Facility Agreement. In this event Germany shall procure that KfW extends the Availability Period and/or increases its Commitment under the Loan Facility Agreement accordingly.

3. **OPENING OF ACCOUNT**

The Commission is authorised by the Parties to open an account in the name of the Lenders with the ECB and to use that account for processing all payments on behalf of the Lenders and from the Borrower in the context of the Pooled Bilateral Loans. The Commission is exclusively authorised to give all instructions in relation to this account in accordance with this Agreement. This account is maintained for each of the Lenders in accordance with their respective interests in the funds credited to the account.

4. **PREPARATION AND AUTHORISATION OF DISBURSEMENTS**

1. Before each disbursement of a Loan under the Loan Facility Agreement, the Commission will, in liaison with the ECB, present a report to the Parties analysing compliance by the Borrower with the terms and the conditions set out in the MoU and in the Council Decision. The Parties will evaluate such compliance and will unanimously decide on the release of the relevant Loan. The first Loan is released upon signature of the MoU and will not be the object of such a report.
2. Following a Request for Funds from the Borrower complying with the terms of the Loan Facility Agreement, the Parties shall (other than in respect of the first Loan) consider the report of the Commission regarding the Borrower's compliance with the MoU and the Council Decision. If, acting unanimously, the Parties consider that the Borrower has complied with the conditions to drawdown under the Loan Facility Agreement and are satisfied with its compliance with the terms and conditions of the MoU and the Council Decision then the Euro Working Group Chairman shall request in writing the Commission on behalf of the Lenders to communicate an Acceptance Notice. The request from the Euro Working Group Chairman shall specify the amount which the Lenders are willing to make available by way of a Loan under the Loan Facility Agreement and on what terms including as to the amount of the Loan, the Net Disbursement Amount, the Term, the redemption schedule and the Interest Rate in relation to such Loan.

If, at the time of receipt of a Request for Funds for a Loan, one or several Lenders do not participate in such Loan by reason of the circumstances described in Articles 2(4) or 2(5)(b), then the other Lenders will cover the missing amount up to the limit of their respective Commitments taking into account the annual tranches referred to in Article 2(3), if applicable. In such circumstances, the share of each Lender in any potential future Loan will be recalculated by the Commission with a view to bringing it back, to the extent possible, to each Lender's Adjusted % Contribution (as defined in Article 6 (2)(b)(i)) as soon as possible (frontloading/back loading). The calculation of the contribution of each Lender in the Loan will be part of the details relating to a Request for Funds supplied by the Commission to the Lenders.

3. Following the communication by the Commission of a Request for Funds and after unanimous decision by the Parties to proceed

with disbursement of a Loan, the Euro Working Group Chairman, on behalf of the Lenders, will send a letter to the Commission confirming the authorisation of the disbursement. The letter will irrevocably confirm the amount of the Loan, the Net Disbursement Amount, the Term, the redemption schedule, the Interest Rate, the Disbursement Date and any other conditions applicable as well as the respective proportion of each Lender. If applicable, and following receipt of written notice from relevant Lenders, the Euro Working Group Chairman shall communicate to the Commission and the Lenders whether any Lender has notified it that the circumstances described in Article 2(5) apply to it and the decision of the Parties relating thereto. The Euro Working Group Chairman shall communicate the decisions of the Parties to the Commission at least 10 Business Days prior to the relevant Disbursement Date. Notwithstanding the foregoing, as regards the first Loan the decision shall be communicated to the Commission at the latest two Business Days prior to the Disbursement Date.

5. **DRAWDOWN PROCEDURE**

1. In preparation for the disbursement of a Loan, the Commission will call at least seven Business Days (T-7) before the Disbursement Date (“T”) (two Business Days (T-2) in the case of the first disbursement) on the Committed Lenders to make their participation available on the account referred to in Article 3 on T by 11:00 a.m. (Brussels time) in the form of the Template Drawdown Notice in Annex 5 to this Agreement. The Committed Lenders shall send a copy of their payment instructions to this effect to the Commission and the ECB at the latest two Business Days (T-2) before (one Business Day (T-1) before in the case of the first disbursement). The Lenders undertake not to change them.
2. If on the Disbursement Date the account referred to in Article 3 has not been credited with the full amount of the Net Participations (the “**Full Amount**”) in sufficient time to allow the ECB to transfer the full amount of the Loan to be disbursed on T, then:
 - (a) if the aggregate amount of the Net Participations received is at least 90% of the Full Amount in respect of such Loan then, provided that the Borrower consents, the Commission shall instruct the ECB to disburse the Loan in an amount equal to the aggregate of the Net Participations actually received into the account; if in such circumstances the Borrower refuses to receive the lower amount of the Loan then the Commission shall instruct the ECB to return the Net Participations received to the Committed Lenders concerned; if the Borrower accepts to receive the reduced Net Participations and within 2 Business Day of T, all or part of the shortfall in the Net Disbursements is received into the Lenders’ Account then the Commission shall consult with the Borrower as to whether it wishes to receive a remittance of such funds and in such event the parties shall make such adjustments to the terms of the relevant portion of the Loan to take into account the late receipt of these funds. Any funds received outside this period of two Business Days shall be returned by the Commission to the relevant Committed Lenders but without prejudice to the rights of the Borrower in respect of such Committed Lenders which failed to fund the Loan;
 - (b) if the aggregate amount of the Net Participations received is lower than 90% of the Full Amount in relation to such Loan, then the Commission shall not instruct the ECB to make such Loan and the ECB and the Commission shall await further

instructions from the Parties through the Euro Working Group Chairman. If the relevant Parties instruct the Commission not to proceed with such Loan or do not reply within two Business Days following the Disbursement Date the Commission shall instruct the ECB to return such funds to the Lenders concerned.

The amounts held in the account will be remunerated according to a rate decided by the ECB.

6. CALCULATIONS AND DISTRIBUTION OF PAYMENTS

1. Interest calculation

The Parties agree to entrust the Commission with the task of making the calculations for the purposes of this Article and the Loan Facility Agreement. It shall determine the Interest Rate for each Loan in accordance the Loan Facility Agreement, calculate the amounts payable on each Interest Payment Date and notify the Borrower and the Lenders thereof. It will also instruct the ECB and inform the Lenders on the distribution of any amounts being received from the Borrower in the account referred to in Article 3 above.

2. Reallocation of Committed Lenders' Participations in Loans:

On the first date (the "**Recalculation Date**") on which interest is payable or a scheduled repayment has to be made hereunder after the earliest of:

- (i) the Disbursement Date of the last Loan under the Loan Facility Agreement, following which the Facility Amount (as increased, reduced or cancelled from time to time) has been disbursed in full, or
- (ii) the date on which an Event of Default under the Loan Facility Agreement occurs, or
- (iii) the day on which the Availability Period, as may be postponed from time to time, expires.

the Commission will recalculate the Participation of each of the Committed Lenders in each of the outstanding Loans in order to ensure that pro-rata amongst Lenders is achieved as follows:

(a) If at the Recalculation Date:

- (i) the relative proportion of the outstanding of each Committed Lender as related to the total outstanding resulting from all Loans coincides with the Adjusted % Contribution (as defined in Paragraph (b) below), and
- (ii) all Loans have the same characteristics (in particular, same interest, payment dates, maturity and repayment profile),

all amounts thereafter due and payable from the Borrower and received by the ECB on the account referred to in Article 3 for each Loan will be distributed to the Lenders according to the actual contribution of each Committed Lender in such Loan.

- (b) In all other circumstances, the Commission will calculate for each Committed Lender:
- (i) the proportion that each Committed Lender's Commitment bears to the Total Commitment (the "**Adjusted % Contribution**"),² and
 - (ii) the proportion that each Committed Lender's actual participation outstanding in each Loan bears to the total amount outstanding of each such Loan (the "**Actual % Contribution**"); and
 - (iii) the amount by which each Committed Lender's actual participation outstanding in each Loan exceeds (the "**Excess Participation Amount**") or is less than (the "**Shortfall Participation Amount**") the total amount outstanding of such Loan multiplied by each such Committed Lenders' Adjusted % Contribution.

If the Actual % Contribution of any Committed Lender in the aggregate of any outstanding Loans is lower than its Adjusted % Contribution in such Loans, the Commission will instruct:

- (1) each such Committed Lender to transfer to the ECB an amount equal to the aggregate of its Shortfall Participation Amounts (less the amount of the Service Fee attributable to such Shortfall Participation Amount) in relation to all outstanding Loans to the account referred to in Article 3; and
- (2) the ECB, following receipt of the aggregate of the Shortfall Participation Amount pursuant to Paragraph (i) above, to make payments to all Committed Lenders, whose Actual % Contribution in any Loan outstanding exceeds their respective Adjusted % Contribution in relation to such Loan, in an amount equal to the aggregate of each such Committed Lender's Excess Participation Amounts (less the amount of the Service Fee attributable to such Excess Participation Amount) in relation to all Loans outstanding

(each a "**Balancing Payment**"). The Balancing Payments shall all be made on the same day. The recalculation becomes effective on the day when such Balancing Payments are made.

The Service Fee shall be reallocated among the Lenders according to the same process. For the avoidance of doubt, interest paid until the Recalculation Date will not be reallocated.

Prior to and at the date on which the Balancing Payment is effectively made, all amounts due and payable from the Borrower and received by the ECB on the account referred to in Article 3 will be distributed to the Committed Lenders according to the actual participation of each Lender in each Loan, subject to the terms of Article 6(3).

From the date on which the Balancing Payment is effectively made until the final repayment of all Loans, all amounts due and payable from the Borrower and received by the ECB on the account referred to in Article 3 will be distributed to the Lenders

² For clarification purposes, if all Lenders successfully finalise — where required — their respective national legal procedures, the Adjusted % Contribution will be identical to the Contribution Key.

according to their respective Adjusted % Contribution, subject to the terms of Article 6(3).

The Commission will present the Adjusted % Contribution, the Actual % Contribution, the Excess Participation Amount, the Shortfall Participation Amount and the Balancing Payment to the Committed Lenders through the Euro Working Group Chairman for approval by them prior to its application.

The Committed Lenders shall (i) pay to, or receive a payment from, the account referred to in Article 3 in accordance with the notification given by the Commission, and (ii) accept or make the assignment or the transfer of the assets derived from the rebalancing referred to in Article 6(2)(b) above once all corresponding payments have been made.

3. If one or more of the Committed Lenders at the time of disbursement of a Loan has proved to the satisfaction of the other Committed Lenders that their funding costs were higher than the Interest Rate of the Loan, the provisions of Annex 3 to this Agreement will apply and the allocation among the Lenders of interest amounts paid by the Borrower will be modified by the Commission accordingly. The Committed Lenders and the ECB will be informed thereof.
4. In case that the Borrower does not pay any amount due in full, the amounts received will be distributed pro rata according to the rules set out in Article 6(2). The application of default interest on overdue amounts and the allocation of funds towards payment of fees, costs, interest and principal will be effected in accordance with the provisions of the Loan Facility Agreement.

7. BREACH OF OBLIGATIONS UNDER THE LOAN FACILITY AGREEMENT AND AMENDMENTS AND/OR WAIVERS TO IT

1. In case that the Commission becomes aware of a breach of an obligation under the Loan Facility Agreement, it shall promptly inform the Parties (through the Euro Working Group Chairman) and the ECB about this situation and shall propose how to react to it. The Euro Working Group Chairman will coordinate the position of the Parties and will inform the Commission and the ECB of the decision taken. The Commission and the Lenders will thereafter implement the decision in accordance with the Loan Facility Agreement.
2. In case that the Commission becomes aware of a situation where amendments and/or waivers relating to any Loan made under the Loan Facility Agreement may become necessary, it shall inform the Parties through the Euro Working Group Chairman and the ECB about this situation and shall propose how to react to it. The Euro Working Group Chairman will coordinate the position of the Parties and will inform the Commission and the ECB of the decision taken. The Commission and the Lenders will thereafter implement the decision and, following instructions of the Parties, negotiate and sign a corresponding amendment or waiver or a new loan agreement with the Borrower or any other arrangement needed.
3. In other cases than those referred to in Article 7(1) and 7(2), if the Commission becomes aware of a situation where there is a need for the Parties to express an opinion or take an action in relation to the MoU or the Loan Facility Agreement, it shall

inform the Parties through the Euro Working Group Chairman about this situation, and shall propose how to react to it. The Euro Working Group Chairman will coordinate the position of the Parties and will inform the Commission of the decision taken. The Commission and the Lenders will thereafter implement the decision taken in whichever form is needed.

8. CERTAIN INTER-CREDITOR AND OTHER ARRANGEMENTS

The Parties acknowledge and agree as follows:

1. All Lenders rank equal and *pari passu* amongst themselves.
2. Decisions to be made under or in relation to the Loan Facility Agreement will be taken by the majority of Parties representing Lenders holding no less than 2/3 of the principal amount outstanding in respect of Loans at the time of the voting, unless the decision relates to a matter for which unanimity is expressly required in this Agreement or in the Loan Facility Agreement in which case a unanimous decision of all the Parties shall be required. For the avoidance of doubt, decisions as to whether to declare an Event of Default and/or to permit a waiver or amendment in respect of the Loan Facility Agreement (other than in respect of one of the matters expressly set out in Article 8(3) below) shall be taken by such a 2/3 majority.
3. A unanimous decision of the Parties is needed in order to authorise the modification of (i) this Agreement or the MoU or (ii) any of the following terms of the Loan Facility Agreement: aggregate principal amount of the Loan Facility, Commitment, Adjusted % Contribution, the Availability Period, a repayment profile or Interest Rate of any outstanding Loan. Unanimity means a positive or negative vote of all the Parties provided that any Party which has cancelled its Commitment as Lender (in the case of Germany, the Commitment of KfW) to make further Loans shall not have any vote on decisions in respect of such further Loans but shall retain its voting rights on matters affecting Loans which it (or in the case of Germany, KfW) has funded and which remain outstanding.
4. The Parties shall take their decisions at meetings within the framework of the Eurogroup, excluding Greece. All their decisions shall be communicated in writing by the Euro Working Group Chairman to the Commission.
5. Each of the Parties undertakes for the benefit of the other Parties to coordinate with the other Parties in respect of the exercise of any rights to accelerate or to enforce against the Borrower in accordance with the terms of this Agreement and the Loan Facility Agreement.
6. The Parties shall not assign or transfer any of their rights or obligations under this Agreement without the prior written consent of the other Parties to this Agreement and the Commission.

9. SHARING OF PAYMENTS

1. Each Lender undertakes not to seek payment of its rights in respect of Loans from the Borrower other than in accordance with the terms of this Agreement and the Loan Facility Agreement, undertakes to pay all sums received by it in respect of the Loan Facility Agreement which have not been received from the ECB

as contemplated by this Agreement and the Loan Facility Agreement to the account referred to in Article 3 to be distributed on a *pro rata* basis in accordance with the terms of this Agreement. They also undertake not to actively set-off claims they may have against the Borrower against sums owed by them to the Borrower other than subject to compliance with this Article 9.

2. If a Lender (a “**Recovering Lender**”) receives or recovers (including by way of set-off) any amount from the Borrower other than in accordance with the payment mechanics set forth in this Agreement or the Loan Facility Agreement and applies that amount to a payment due to it under this Agreement or the Loan Facility Agreement;
 - (a) the Recovering Lender shall, within three Business Days, notify details of the receipt or recovery to the Commission;
 - (b) the Recovering Lender shall, within three Business Days of demand by the Commission, pay to the ECB an amount (the “**Sharing Payment**”) equal to such receipt or recovery.
3. The Commission shall treat the Sharing Payment as if it had been paid by the Borrower and distribute it between the participating Lenders (including the Recovering Lender) in accordance with the payment mechanics set forth in this Agreement and the Loan Facility Agreement.

10. ADMINISTRATIVE PROVISIONS

1. For all its functions under this Agreement, the Commission shall act through its service Directorate General Economic and Financial Affairs (“**ECFIN**”) and on the basis of the internal rules applicable to its off-budget financial operations.³
2. All costs of the Lenders and the Commission arising in the implementation of the Agreement shall be borne by the Borrower in accordance with the Loan Facility Agreement. The Commission shall charge no fees for its work for organising and administering the Pooled Bilateral Loans.
3. The Commission shall report to the Lenders on the outstanding claims and liabilities under the Loan Facility Agreement on a quarterly basis.
4. The Commission will report to the Parties and ask instructions from the Euro Working Group Chairman regarding unsettled claims and liabilities or any other issues that may arise under this Agreement or the Loan Facility Agreement.
5. Each Lender is required to inform the Commission promptly in writing (i) that its contribution to the Loan Facility Agreement is duly authorised under the national law applicable to it after the signature thereof, or (ii) if subject to such procedures, as soon as they have been duly completed, and deliver to the Commission a Commitment Confirmation. It is acknowledged and agreed that the Commitment Confirmation of a Party may be of provisional application in accordance with the national laws and legislation of the relevant Party.

ANNEX 3**SPECIAL CASE OF HIGHER FUNDING COSTS**

The following rules apply if a contributing Member State “A”, at the time when the decision of the Parties in accordance with Article 4(2) concerning the disbursement of a Loan is taken proves to the satisfaction of the other Parties that its own funding costs are higher than the Interest Rate of the Loan:

1. The Commission shall request similar information from the other Parties about their respective funding costs.
2. The Member State “A” shall be paid, from all interest received under the Loan Facility Agreement, the amount that corresponds to its absolute funding cost for its part in the Loan.
3. Other Lenders shall be paid, from all interest received under the Loan Facility Agreement, after pro rata deduction of the amount under point 2.
4. If such calculation would result in any Lender other than Member State “A” being allocated an interest amount lower than its funding costs, the Commission will revert to the Parties in accordance with Article 10(4).

THIS LOAN FACILITY AGREEMENT (the “**Agreement**”) is made by and between:

- (A) The Following Member States whose currency is the euro: Kingdom of Belgium, Ireland, Kingdom of Spain, French Republic, Italian Republic, Republic of Cyprus, Grand Duchy of Luxembourg, Republic of Malta, Kingdom of the Netherlands, Republic of Austria, Portuguese Republic, Republic of Slovenia, Slovak Republic and Republic of Finland, represented by the European Commission (hereinafter referred to as the “**Commission**”) and **KfW** acting in the public interest, subject to the instructions of and with the benefit of the guarantee of the Federal Republic of Germany (hereinafter referred to as the “**Lenders**” and each, a “**Lender**”);
- (B) The **Hellenic Republic** (hereinafter referred to as “**Greece**” or the “**Borrower**”), represented by the Minister of Finance; and
- (C) The **Bank of Greece** acting as agent on behalf of the Borrower (hereinafter referred to as the “**Borrower’s Agent**”), represented by the Governor of the Bank of Greece.

PREAMBLE

Whereas:

- (1) Greece has on 23 April 2010 requested bilateral loans from the other Member States whose currency is the euro in accordance with the Statement of the Heads of State and Government of the euro area of 25 March 2010 and the Statement of the Eurogroup of 11 April 2010.
- (2) Pursuant to that request, the representatives of the Member States whose currency is the euro (the “**Euro Area Member States**”), other than Greece, have decided on 2 May 2010 to provide stability support to Greece in an intergovernmental framework via pooled bilateral loans.
- (3) The loans are granted in conjunction with the funding from the International Monetary Fund (the “**IMF**”) under a stand-by arrangement (the “**IMF Stand-by Arrangement**”).
- (4) Representatives of the Member States of the European Union have decided on 5 May 2010 to entrust the Commission with the tasks in relation to the coordination and management of the pooled bilateral loans as set out in an Intercreditor Agreement concluded on 8 May 2010 (the “**Intercreditor Agreement**”).
- (5) The Lenders in all their functions, rights and obligations under this Agreement act through and are represented by the Commission. The Lenders have agreed to act in a coordinated manner and to channel communications to the Commission through the Euro Working Group Chairman.
- (6) Measures concerning the coordination and surveillance of the budgetary discipline of Greece and setting out economic policy guidelines for Greece will be defined in a Council decision on the basis of Article 126(9) and 136 of the Treaty on the Functioning of the European Union (the “**TFEU**”), and the support granted to Greece is made dependent on compliance by Greece with measures consistent with such decision and laid down in

a Memorandum of Economic and Financial Policies, Memorandum of Understanding on Specific Economic Policy Conditionality and Technical Memorandum of Understanding (hereinafter referred to together as the “**MoU**”) signed originally on 3 May 2010 by the Commission after approval by all the Euro Area Member States (except Greece), by the Borrower and the Bank of Greece (as may amended and/or supplemented from time to time).

- (7) The release of the first Loan shall be conditional upon the signature of the MoU and the entry into force of this Agreement.
- (8) The release of Loans subsequent to the first one shall be conditional upon the Euro Area Member States (except Greece) deciding favourably after consultation with the European Central Bank (hereinafter the “**ECB**”) on the basis of the findings of verification by the Commission that the implementation of the economic policy of the Borrower accords with the adjustment programme or any other conditions laid down in the Council decision on the basis of Article 126(9) and 136 TFEU and the MoU.
- (9) The Commission shall open an account in the name of the Lenders with the ECB, to be used for processing all payments on behalf of the Lenders and the Borrower in the context of this Agreement.
- (10) Greece has designated the Bank of Greece as its agent for the purposes of this Agreement.
- (11) Appropriate measures related to the prevention of, and the fight against fraud, corruption and other irregularities which might affect the support granted by this Agreement or the effective use of the funds drawn hereunder shall be taken by the authorities of the Borrower.
- (12) The Commission shall have the right to perform on-the-spot checks and inspections, where appropriate.
- (13) Given the need for some Lenders to complete national procedures (including, where appropriate, parliamentary authorisation) before being able to commit to participate in the funding of loans to be made under this Agreement, the initial loans may have to be funded by some Lenders only with a subsequent reallocation of participations as and when these procedures have been completed.
- (14) The Federal Republic of Germany (“**Germany**”) has designated KfW as Lender on behalf of Germany for the purposes of this Agreement. Accordingly, references to KfW as Lender refer to KfW acting in the public interest, subject to the instructions of and with the benefit of the guarantee of Germany.

Now, therefore, the parties hereto have agreed as follows:

1. THE FACILITY

- (1) The Lenders make available to the Borrower a loan facility (hereinafter referred to as the “**Facility**”) in euro in an aggregate principal amount of up to EUR 80 000 000 000 (Euro eighty billion), subject to the terms and conditions of the MoU and this Agreement.

- (2) The maximum amount that each Lender shall contribute under the Facility is the amount set opposite its name under the heading “Commitment” in Annex 1 as and to the extent increased, cancelled or reduced pursuant to the terms of this Agreement and the Intercreditor Agreement (for each Lender, its “**Commitment**” and the aggregate of their Commitments is equal to the “**Total Commitment**”).
- (3) The Borrower shall apply all amounts borrowed by it under the Facility in conformity with its obligations under the MoU.

2. **LENDERS’ RIGHTS AND OBLIGATIONS**

- (1) The obligations of each Lender under this Agreement shall be several. Failure by a Lender to perform its obligations under this Agreement shall not affect the obligations of any other Lender under this Agreement. No Lender shall be responsible for the obligations of any other Lender under this Agreement.
- (2) The rights of each Lender under or in connection with this Agreement shall be separate and independent rights and any debt arising under this Agreement to a Lender from the Borrower shall be a separate and independent debt. The Borrower shall not give priority to one Lender over the other Lenders.
- (3) The Lenders and the Borrower shall not assign or otherwise transfer any of their rights or obligations (or, with respect to the Lenders, enter into any arrangement with any third party with a view to transferring the whole or part of their exposure to the Borrower or the whole or part of the risks and rewards arising from their participation in this Agreement) without the prior written consent of all Lenders.
- (4) Notwithstanding Article 2(3) above, a Lender shall be entitled to assign and/or transfer:
 - (a) part (but not the whole) of its rights and obligations under a Loan in the context of a re-allocation of the Lenders’ Participations (as defined in Article 3(6) below) between themselves as contemplated in Article 6 of the Intercreditor Agreement; or
 - (b) any of its rights and obligations in respect of a Loan to the Member State which is its guarantor.
- (5) Any such assignment and transfer shall comply with the terms of Article 13.
- (6) Upon the assignment and transfer of any of its rights or obligations, the Lenders concerned shall promptly notify the Borrower in writing of such assignment and transfer.

3. **DRAWDOWN, NET DISBURSEMENT AMOUNT AND CONDITIONS PRECEDENT**

- (1) Subject to the terms and conditions of this Agreement and of the MoU, the Borrower may, after consultation with the Commission, request a disbursement to be made under this Agreement (each such disbursement made or to be made under the Facility or the principal amount thereof outstanding for the time being is hereinafter referred to as a “**Loan**”) by delivery to the Commission of a duly completed request for funds in the form of

Annex 2, irrevocably accepting the main terms thereby indicated pursuant to Article 3(3) (hereinafter a “**Request for Funds**”).

- (2) For the purposes of this Agreement, “**Business Day**” means a day on which the TARGET2 payment system is open for business. “**Availability Period**” means the period commencing on the date of entry into force of this Agreement and ending on (and including) the date falling on the third anniversary of the date of this Agreement.
- (3) A Request for Funds is irrevocable and will not be regarded as having been duly completed unless it at least specifies:
 - (a) the proposed date of disbursement of the requested Loan (the “**Disbursement Date**”) which must be (i) a Business Day, and (ii) a day (other than a Saturday or Sunday) when banks are open for general business in the capital city of each Lender, and (iii) a day which falls during the Availability Period, and (iv) a day not earlier than the fifteenth Business Day after the date of the Request for Funds; notwithstanding the foregoing, point (iv) does not apply to the first Loan;
 - (b) the amount of the Loan requested which must be a minimum amount of Euro one billion;
 - (c) the requested grace period for such Loan, if any, during which no repayments of principal have to be made by the Borrower and which may not exceed a period of three years from the Disbursement Date (the “**Grace Period**”);
 - (d) the term of the requested Loan which may not exceed five years from the Disbursement Date of the Loan and the last day of which must be an Interest Payment Date (as defined below) (the “**Term**”); and
 - (e) the amortisation schedule, which shall provide that the principal repayments shall be made in quarterly payments of equal principal amount by the Borrower on each Interest Payment Date (as defined below) starting on the first Interest Payment Date following the expiry of the Availability Period or (if later) the end of the relevant Grace Period (if any) and ending on the Interest Payment Date falling at the end of that Loan’s Term.
- (4) Following a Request for Funds in respect of the first Loan, the Lenders’ obligation to pay the amount of the Net Participation (as defined in Article 3(6) below) to the Borrower with respect to the first Loan shall be subject to:
 - (a) the Commission having received a legal opinion satisfactory to the Lenders given by the Legal Advisor to the State at the Ministry of Justice, Transparency and Human Rights and the Legal Advisor to the State at the Ministry of Finance in the form set out in Annex 4. Such legal opinion shall be dated not later than the date of the Request for Funds. The Borrower undertakes to inform the Lenders immediately if, between the date of the legal opinion and the Disbursement Date, any event occurs that would render incorrect any statement made in the legal opinion;

- (b) the Commission having received from the Minister of Finance of the Borrower an official document indicating the persons authorised to sign the Requests for Funds (and thus validly commit the Borrower) and containing the specimen signatures of these persons;
 - (c) the signature of the MoU;
 - (d) the Commission having received, not later than on the Disbursement Date relating to such Loan, Commitment Confirmations of at least five Lenders comprising at least 2/3 of the Total Commitment (a “**Critical Mass of Lenders**”);
 - (e) the Commission having received confirmation from the Lenders (i) that they are satisfied that the conditions to drawdown under this Agreement are satisfied, and (ii) of the terms on which they are willing to make a Loan to the Borrower;
 - (f) no material adverse change having occurred since the date of this Agreement such as would, in the opinion of the Lenders, after consultation with the Borrower, be likely to prejudice materially the ability of the Borrower to fulfil its payment obligations under this Agreement, *i.e.* to service the Loan to be funded and to repay it; and
 - (g) no Event of Default having occurred which is continuing.
- (5) Following receipt of a Request for Funds in respect of any subsequent Loan, the Lenders’ obligation to transfer the Net Participation, as defined in Article 3(6) below, of any such subsequent Loan to the Borrower shall be subject to:
- (a) the Borrower confirming that no event has occurred that would render incorrect any statement made in the legal opinion received by the Lenders under Article 3(4)(a);
 - (b) the remaining in place of Commitments from a Critical Mass of Lenders;
 - (c) the Commission having received confirmation from the Euro Area Member States (other than Greece) that they are satisfied with the compliance by the Borrower with the terms of the MoU and the conditions laid down in the Council decision on the basis of Article 126(9) and 136 TFEU; and
 - (d) the conditions referred to in Paragraphs (e), (f), and (g) of Article 3(4) above being satisfied.

If the conditions in Article 3(4) (in the case of the first Loan) or Article 3(5) above (in the case of subsequent Loans) are satisfied, the Commission shall notify the Borrower by way of a written notice in the form of Annex 3 setting out the amount and the detailed terms (which may or may not differ to those specified in the corresponding Request for Funds) of the Loan that the Lenders are willing to extend to the Borrower under this Agreement (hereinafter the “**Acceptance Notice**”). The Borrower and the Committed Lenders, as defined in Article 3(6) below, shall irrevocably be bound by the terms of the Acceptance Notice, unless the terms of the Loan differ from those specified in the

Request for Funds, in which case the Borrower and the Committed Lenders shall only be bound by the terms of the Acceptance Notice if the Borrower notifies the Commission in writing of its consent thereto. In the event of the Borrower's refusal to accept such terms, the Request for Funds and the related Acceptance Notice shall both be cancelled.

- (6) If the conditions set out in this Agreement (and in particular Article 3(4) and 3(5) above) have been met, each Lender who has delivered to the Commission a Commitment Confirmation (each such Lender being a "**Committed Lender**") shall, not later than on the relevant Disbursement Date, transfer to the credit of the Lenders' Account its participation in each Loan (the "**Participation**") (reduced, for the sole purposes of determining and providing for the payment of the Net Disbursement Amount (as defined in Paragraph (8) below), by the amount of the Service Fee (as defined in Article 5(2) below) calculated by reference to the amount of such Participation pursuant to Article 5(2), the "**Net Participation**"), as such Participation shall be determined pursuant to the provisions of the Intercreditor Agreement.

For the avoidance of doubt, for all purposes other than for determining and providing for the payment of the Net Disbursement Amount (e.g. for reporting purposes, voting, etc.), only the Participation (not the Net Participation) of the Lenders will be taken into account.

- (7) A Committed Lender shall not be required to participate in a Loan if the circumstances in Article 5(7) apply and notwithstanding any measures proposed by the Euro Working Group such Committed Lender can not cover the funding cost of its Commitments under this Agreement.
- (8) Provided the ECB shall have received in the Lenders' Account before 11:00 a.m. Brussels time on the Disbursement Date in relation to a Loan the aggregate of the Net Participations of all Committed Lenders in such Loan (hereinafter referred to as the "**Net Disbursement Amount**"), the Lenders shall procure that the Commission will instruct the ECB to transfer the Net Disbursement Amount on the Disbursement Date to the euro account of the Borrower's Agent (SWIFT BIC: BNGRGRAA, IBAN: GR0301000230000000000200659) (Ref.: "Euro Area Stability Support to Greece"), or to such other euro-account as the Borrower's Agent shall advise in writing to the Commission and the ECB with a copy addressed to the Borrower at the latest two Business Days prior to the Disbursement Date.

If, on the Disbursement Date, the Lenders' Account has not been credited with the full amount of all the Net Participations of all of the Committed Lenders in respect of such Loan, then:

- (a) where the aggregate of the Net Participations effectively received in relation to such Loan represents at least 90% of the aggregate Net Participations of all of the Committed Lenders in relation to such Loan, then, provided that the Borrower consents, the Net Disbursement Amount will be reduced so as to be equal to the aggregate of the Net Participations effectively received by the ECB and the Lenders shall procure that the Commission shall then instruct the ECB to transfer the Net Disbursement Amount as so reduced to the Borrower in the manner specified above. Conversely, if the Borrower refuses to

receive such lower amount in respect of the Loan the Commission shall not instruct the ECB to transfer such funds (which shall forthwith be returned to the Committed Lenders concerned with no delay) and the Request for Funds and the related Acceptance Notice shall be cancelled automatically. If any part of the shortfall in Net Participations is in fact received within 2 Business Days of the scheduled Disbursement Date then the Commission shall consult with the Borrower as to whether it wishes to receive a remittance of such funds and in such event the parties shall make such adjustments to the terms of the relevant portion of the Loan as are necessary to take into account the late receipt of such funds. Any funds received outside this period of 2 Business Days shall be returned by the Commission to the relevant Lender(s); or

- (b) where the aggregate of the Net Participations effectively received in relation to such Loan is lower than 90% of the aggregate Net Participations of all the Committed Lenders in respect of such Loan then the Commission shall not instruct the ECB to transfer to the Borrower the corresponding funds (and the same will remain credited to the Lenders' Account) until the Commission has received further instruction from the Lenders to do so and the Borrower has notified the Commission in writing of its consent to receive the funds. In the event that:
 - (i) either the Lenders have instructed the Commission not to further proceed with the disbursement; or the Lenders have failed to give instructions to the Commission within two Business Days following the Disbursement Date, or
 - (ii) either the Borrower has notified the Commission of its refusal to receive the lower sum or the Borrower has not notified the Commission of its consent to receive the funds within two Business Days following the Disbursement Date,

the Commission shall then instruct the ECB to forthwith return the Net Participations credited to the Lenders Account to the Committed Lenders concerned and the Request for Funds and the related Acceptance Notice shall be cancelled; and

- (c) any adjustments under Points (a) and (b) shall be without prejudice to the Borrower's rights against the Committed Lenders which failed to fund their portion of a Loan.
- (9) The disbursement of a Loan shall under no circumstances commit any of the parties to proceed with the lending and borrowing of any further Loan.
- (10) The Borrower's right to request Loans under this Agreement expires at the end of the Availability Period, following which any undisbursed amount of the Facility shall be considered as immediately cancelled.

4. **REPRESENTATIONS, WARRANTIES AND UNDERTAKINGS**

- (1) Representations

The Borrower represents and warrants to the Lenders on the date of this Agreement and on each Interest Payment Date that:

- (a) each Loan shall constitute an unsecured, direct, unconditional, unsubordinated and general obligation of the Borrower and will rank at least *pari passu* with all other present and future unsecured and unsubordinated loans and obligations of the Borrower arising from its present or future Relevant Indebtedness as defined in Article 8(1)(g) below; and
- (b) the legal opinion of the Legal Advisor to the State at the Ministry of Justice, Transparency and Human Rights and the Legal Advisor to the State at the Ministry of Finance provided in accordance with Article 3(4)(a) is accurate and correct.

The Borrower confirms having received a copy of the Intercreditor Agreement and acknowledges that it is aware of and understands its terms. In the event of any modification to the Intercreditor Agreement the Lenders shall supply the revised terms thereof to the Borrower for its acknowledgement.

(2) Undertakings

The Borrower undertakes, until such time as all principal under this Agreement has been fully reimbursed and all interest and additional amounts, if any, due under this Agreement have been fully paid:

- (a) with the exception of those encumbrances enumerated in paragraphs(1) to (6) below:
 - (i) not to secure by mortgage, pledge or any other encumbrance upon its own assets or revenues any present or future Relevant Indebtedness and any guarantee or indemnity given in respect thereof, unless the Loans at the same time shares *pari passu* and *pro rata* in such security; and
 - (ii) not to grant to any other creditor or holder of its sovereign debt any priority over the Lenders.

The grant of the following encumbrances shall not constitute a breach of this Article:

- (1) encumbrances upon any property incurred to secure the purchase price of such property and any renewal or extension of any such encumbrance which is limited to the original property covered thereby and which secures any renewal or extension of the original secured financing; and
- (2) encumbrances on commercial goods arising in the course of ordinary commercial transactions (and expiring at the latest within one year thereafter) to finance the import or export of such goods into or from the country of the Borrower; and
- (3) encumbrances securing or providing for the payment of Relevant Indebtedness incurred exclusively in order to

provide financing for a specific investment project, provided that the properties to which any such encumbrances apply are properties which are the subject of such project financing, or which are revenues or claims which arise from the project; and

- (4) any other encumbrances in existence on the date of the signing of this Agreement, provided that such encumbrances remain confined to the properties presently affected thereby and properties which become affected by such encumbrances under contracts in effect on the date of the signing of this Agreement and provided further that such encumbrances secure or provide for the payment of only those obligations so secured or provided for on the date hereof or any refinancing of such obligations; and
- (5) all other statutory encumbrances and privileges which operate solely by virtue of law and which cannot be reasonably avoided by the Borrower; and
- (6) encumbrances granted or consented to in relation to a securitization of State assets where the transaction involves (a) (i) the sale, transfer or assignment of State assets to a special purpose company or similar entity or (ii) the grant by the Borrower of security over State assets, where (b) such State assets are used in either case to back or to secure a public issuance of bonds by such special purpose company or similar entity and where the recourse of investors in respect of such bonds is limited to the revenue generated by or the realizable value of such State assets and (c) provided that the terms of such securitization and the use of the proceeds of such transaction are consistent with the policy conditions of the MoU and accounted for in national accounts in line with ESA 95 principles and Eurostat guidance on securitisations operations undertaken by governments.

As used in this Article, “financing for a specific investment project” means any financing of the acquisition, construction or development of any properties in connection with a project if the providing entity for such financing expressly agrees to look to the properties financed and the revenues to be generated by the operation of, or loss or damage to, such properties as the principal source of repayment for the moneys advanced.

- (b) to utilise the Net Disbursement Amounts consistently with the Council decision on the basis of Article 126(9) and 136 TFEU as in force at the relevant time and in accordance with the MoU.
- (c) to only repay the Loans advanced under this Agreement in accordance with the terms of this Agreement on a *pro rata* and *pari passu* basis to each Committed Lender via payments to the Lenders’ Account maintained at the ECB and not to deal on a bilateral or preferential basis with individual Lenders in respect of the Loans made under this Agreement;

- (d) to obtain and maintain in full force and effect all authorisations necessary for it to comply with its obligations under this Agreement; and
- (e) to comply in all respects with applicable laws which might affect its ability to perform this Agreement.

5. INTEREST, COSTS AND EXPENSES

- (1) Subject to Article 5(7) below, in respect of each outstanding Loan, the Borrower shall pay on each Interest Payment Date interest having accrued on such Loan during the Interest Period ending on such date, at a rate per annum (the “**Interest Rate**”) equal to the aggregate of:
 - (a) the then applicable three-month EURIBOR determined in accordance with Annex 5, or (i) in respect of periods which are equal to or exceed one week and are less than three months, the relevant EURIBOR rate determined (using the EURIBOR rate for the next longest period for which such rates are available) and (ii) in respect of periods of less than one week the applicable EONIA rate for each day with daily capitalisation; and
 - (b) a margin equal to:
 - (i) 300 basis points, in respect of any Interest Periods commencing on or after the Disbursement Date of a Loan up to and including the Interest Period ending on the third anniversary of such Disbursement Date or, if this is not an Interest Payment Date, the first Interest Payment Date after the third anniversary of such Disbursement Date; and
 - (ii) 400 basis points in respect of any subsequent Interest Periods.

For the purposes of this Agreement:

“**Interest Payment Date**” means, in relation to any Loan, any and each of 15 March, 15 June, 15 September and 15 December in each year and the final date of repayment of such Loan if it becomes repayable prior to the end of its scheduled Term; and

“**Interest Period**” means, in relation to a Loan, each three month period commencing on (and including) an Interest Payment Date and ending on (but excluding) the next Interest Payment Date, except for (i) the first Interest Period in respect of such Loan which shall commence on (and include) the Disbursement Date thereof and end on (but exclude) the first Interest Payment Date following such Disbursement Date and (ii) any broken interest period in the event that a Loan is accelerated or otherwise repaid on a date other than the last day of its scheduled Term.

- (2) In order to cover operational costs, the Borrower shall pay to each of the Committed Lenders a non-refundable up-front service fee equal to 50 basis points (the “**Service Fee**”) to be calculated on the principal amount of the Participation of each such Committed Lender in each Loan which shall be deducted from each Loan to be disbursed to the Borrower. In the event of any re-allocation of Participations amongst Lenders such

Service Fee shall be re-allocated between the Lenders participating in the relevant Loan in accordance with the terms of the Intercreditor Agreement.

- (3) The Commission shall inform the Borrower and the Lenders two Business Days before the first day of the relevant Interest Period of the details of the interest calculation for such Interest Period. The EURIBOR setting and the day count convention shall be determined by the Commission in accordance with Annex 5.
- (4) The Borrower shall pay the amount of interest due to the Lenders Account referred to in Article 7(3) on the relevant Interest Payment Date and under the conditions as notified to it by the Commission. Interest on a Loan shall accrue from the date on which the respective amounts are transferred to the account at the Borrower's Agent until the date on which the respective repayment are irrevocably credited to the Lenders Account.
- (5) If the Borrower fails to pay any sum payable under this Agreement on its due date, the Borrower shall pay in addition default interest on such sum (or, as the case may be, the amount thereof for the time being due and unpaid) to the Lenders from the due date to the date of actual payment in full, calculated by reference to successive interest periods (each of such length as the Lenders may from time to time select, the first period beginning on the relevant due date and, wherever possible, the length of such period shall be that of one week) at a rate per annum on such overdue amount which is 200 basis points over the Interest Rate which would have been payable if the overdue amount had, during the period of non-payment, constituted a Loan.

So long as the failure to pay continues, such rate shall be refixed in accordance with the provisions of this Article 5(5) on the last day of each such interest period and unpaid interest under this Article concerning previous interest periods shall be added to the amount of interest due at the end of each such interest period. The default interest shall be due and payable from time to time on demand by the Commission.

- (6) The Borrower undertakes to pay to the Lenders or the Commission all additional interest and all costs and expenses, including legal fees, incurred and payable by the Lenders or the Commission as a result of a breach of any obligation under this Agreement by the Borrower.
- (7) If a Lender encounters higher funding costs than those applicable to the Borrower under this Agreement such Lender may inform the other Lenders and the Commission (through the Euro Working Group Chairman) and the Euro Working Group shall take a decision in line with the Intercreditor Agreement and inform the Borrower accordingly.

6. REPAYMENT, EARLY REPAYMENT, MANDATORY REPAYMENT AND CANCELLATION

- (1) The Borrower shall repay the principal amount of each Loan on the date(s) (each of which must be an Interest Payment Date) and under the conditions notified to it by the Commission in the relevant Acceptance Notice and related documentation.
- (2) The Borrower may, if it gives the Lenders not less than one month's prior written notice and subject to the agreement by

the Lenders, prepay the whole or part of any Loan (provided that any prepayment in part shall be of not less than Euro one billion) on an Interest Payment Date.

- (3) If more than one Loan is outstanding, the prepayment shall be applied *pari passu* amongst all Loans regardless of their date of maturity, unless the reallocation in accordance with Article 6 of the Intercreditor Agreement has been executed and completed, in which case the Borrower may select which Loan or Loans any prepayment shall be applied against.
- (4) The following restrictions shall apply:
 - (a) the notice of prepayment shall be irrevocable and shall specify the amount and the date upon which the prepayment is to be made, which must be an Interest Payment Date; and
 - (b) any prepayment shall be made together with accrued interest on the amount prepaid and subject to the Borrower indemnifying Lenders in respect of any costs, expenses or fees they suffer (including broken funding and broken hedging costs) as a consequence of such prepayment. Accrued interest shall be payable at the Interest Rate determined for the relevant period; and
 - (c) any partial prepayment shall be applied (after paying any accrued interest, fees or other amounts due in respect of the amount being prepaid) to the scheduled capital repayment amounts *pro rata*; and
 - (d) any amount which is voluntarily prepaid cannot be re-borrowed.
- (5) The Borrower may cancel, on not less than two weeks' prior written notice, the whole or any part (being a minimum of Euro one hundred million) of the undrawn amount of the Facility.
- (6) If:
 - (a) the Court of Justice of the European Union in a final decision decides that this Agreement or the making of the Loans violates European Union law and such violation cannot be remedied then the Facility as a whole (*i.e.* the Commitments of all of the Lenders hereunder) shall immediately and irrevocably be cancelled but this shall not give rise to an acceleration of any outstanding Loans; or
 - (b) a constitutional court of a Lender or other court with competent jurisdiction in relation to such Lender decides in a final judgment that this Agreement or a Loan is violating the constitution of the Lender and such violation cannot be remedied, then the Commitment of the relevant Lender only shall immediately and irrevocably be cancelled but this shall not give rise to an acceleration of any outstanding Loans.
- (7) If financing granted to the Borrower under the IMF Stand-by Arrangement is repaid in advance in whole or in part on a voluntary or mandatory basis a proportional amount of the Loans made under this Agreement shall, unless the Lenders acting unanimously agree otherwise, become immediately due and

repayable in an amount based on the initial ratio between the Loans made under this Agreement to financing made under the IMF Stand-by Arrangement.

7. PAYMENTS

- (1) All payments to be made by the Borrower shall be paid without set-off or counterclaim, free and clear of, and without deduction for and on account of, any taxes, commissions and any other charges for the entire term of this Agreement.
- (2) The Borrower declares that all payments and transfers under this Agreement, as well as the Agreement itself, are not subject to any tax or any other impost in the country of the Borrower and shall not be so subject for the entire term of this Agreement. If nevertheless the Borrower is required by law to make any such deductions, the Borrower shall pay the requisite additional amounts so that the Lenders receive in full the amounts specified by this Agreement.
- (3) All payments by the Borrower shall be made via SWIFT message MT202 in TARGET2 on the value date before 11:00 a.m. Brussels time to the TARGET2 participant SWIFT-BIC: ECBFDEFFBAC, in favour of account number 4050992001, account name "Pooled bilateral loans EC/Lenders" with ref.: "Euro Area Stability Support to Greece", or to such other account as the Commission may instruct the Borrower and the Borrower's Agent by written notice at least two Business Days before the relevant Interest Payment Date (the "**Lenders' Account**").
- (4) The Commission shall on behalf of the Lenders advise the Borrower and the Borrower's Agent at least fifteen calendar days prior to each Interest Payment Date of the amount of principal and interest due and payable on such date and of the details (interest rate, interest period) on which the interest calculation is based.
- (5) The Borrower shall send to the Lenders and ECB a copy of its payment instructions sent to the Borrower's Agent at least two Business Days prior to the relevant Interest Payment Date.
- (6) If the Borrower shall pay an amount in relation to any of the Loans which is less than the total amount due and payable under this Agreement, the Borrower hereby waives any rights it may have to make any appropriation of the amount so paid as to the amounts due.

The amount so paid under a Loan shall be applied in or towards satisfaction of payments due under such Loan in the following sequence:

- (a) *first* against any fees, expenses and indemnities;
- (b) *second* against any interest for late payments as determined under Article 5(5);
- (c) *third* against interest; and
- (d) *fourth* against principal,

provided that these amounts are due or overdue for payment on that date.

- (7) Any calculation and determination by the Commission under this Agreement:
- (a) shall be made in a commercially reasonable manner; and
 - (b) shall, absent manifest error, be binding on all Lenders and the Borrower.
- (8) Where a payment falls to be made under this Agreement on a day which is not a Business Day, such payment will instead be made on the immediately preceding Business Day.

8. EVENTS OF DEFAULT

- (1) The Lenders, may, by written notice (served by the Commission acting on their behalf) (and acting in accordance with the terms of the Intercreditor Agreement) to the Borrower cancel the Facility and/or declare the outstanding principal amount of the Loans to be immediately due and payable, together with accrued interest, if:
- (a) the Borrower shall fail to pay any amount of principal or interest under any Loan or any other amounts due under this Agreement on its due date, whether in whole or in part, in the manner as agreed in this Agreement, in respect of any Loan and such default shall continue for a period of thirty calendar days (in relation to a failure to pay any interest amount or any other amount with the exception of principal) or seven calendar days (in relation to a failure to pay any principal amount) after written notice thereof shall have been given to the Borrower by the Lenders; or
 - (b) the Borrower or its agencies shall default in the performance of any obligation under this Agreement (including the obligation set out in Article 1(3) to apply Loans in accordance with the terms of the MoU but excluding any other obligations under the MoU), and such default shall continue for a period of one month after written notice thereof shall have been given to the Borrower by the Lenders; or
 - (c) the Borrower's obligations under this Agreement are declared by a court of competent jurisdiction not to be binding on or enforceable against the Borrower or are declared by a court of competent jurisdiction to be illegal; or
 - (d) (i) it has been established that in relation to this Agreement or the MoU, the Borrower or the Borrower's Agent has engaged in any illegal activity, or any other actions detrimental to the Lenders or (ii) any representation or warranty made by the Borrower or the Borrower's Agent under this Agreement is inaccurate, untrue or misleading; or
 - (e) Relevant Indebtedness of the Borrower having an aggregate principal amount in excess of Euro 250 million is the subject of a declaration of default as defined in any instrument governing or evidencing such indebtedness and as a result of such a declaration of default there is an acceleration of such indebtedness or a *de facto* moratorium on payments; or

- (f) the Borrower does not make timely repurchases from the IMF in relation to the IMF Stand-by Arrangement; or
- (g) the Borrower does not generally pay its Relevant Indebtedness as it falls due or declares or imposes a moratorium on the payment of the Relevant Indebtedness of the Borrower or of Relevant Indebtedness assumed or guaranteed by it.

For the purposes of the foregoing, “**Relevant Indebtedness**” means External Indebtedness and Public Internal Indebtedness.

“**External Indebtedness**” means all indebtedness of the Borrower or the Borrower’s Agent (i) which is denominated or payable in a currency other than the lawful currency of the Borrower and (ii) which was not originally incurred or assumed under an agreement or instrument made with or issued to creditors substantially all of who are residents of Greece or entities having their head office or principal place of business with the territory of Greece.

“**Public Internal Indebtedness**” means all indebtedness of the Borrower which (i) is denominated in the lawful currency of the Borrower, (ii) is in the form of or represented by bonds, notes or other securities or any guarantee thereof and (iii) is or may be quoted or listed or ordinarily purchased and sold on any stock exchange, automated trading system, over the counter or other securities market.

- (2) The Lenders may, but are not obliged to, exercise their rights under this Article and may also exercise them only in part without prejudice to the future exercise of such rights. In relation to such rights they shall act in accordance with the terms of the Intercreditor Agreement.
- (3) The Borrower shall reimburse all costs, expenses, fees and loss of interest incurred and payable by the Lenders or the Commission as a consequence of an early repayment of any Loan under this Article. The loss of interest is the difference (if it is a positive amount) between the interest rate of the Loan and the interest received from the reinvestment of the amounts repaid early, for the period between the date of the early repayment and the date on which the Loan matures or can be terminated by the Lenders. In addition, the Borrower shall pay default interest, as provided in Article 5(5) above, which shall accrue as from the date when the outstanding principal amount of the Loan has been declared immediately due and payable, until the date of actual payment in full.

9. INFORMATION UNDERTAKINGS

- (1) The Borrower shall supply to the Commission for distribution to the Lenders:
 - (a) all documents dispatched by the Borrower to its creditors generally at the same time as they are dispatched;

 - (c) promptly, such further information regarding its fiscal and economic condition, as any Lender or the Commission may reasonably request; and

- (d) any information pertaining to any event which could reasonably be expected to cause an Event of Default to occur (and the steps, if any, being taken to remedy it).
- (2) The Borrower undertakes to inform the Lenders and the Commission promptly if any event occurs that would render incorrect any statement made in the Borrower's legal opinion referred to in Article 3(4) above.

10. UNDERTAKINGS RELATING TO INSPECTIONS, FRAUD PREVENTION AND AUDITS

The Lenders (in accordance with the instructions of the Euro Area Member States (other than Greece)) shall be entitled to monitor the Borrower's compliance with its obligations hereunder and under the MoU and for this purpose the Lenders will be represented by the Commission and in this connection:

- (b) The Borrower and the Borrower's Agent shall supply relevant information and documents which may be requested for the purpose of such assessments, controls or audits, and take all suitable measures to facilitate the work of persons instructed to carry them out. The Borrower and the Borrower's Agent undertake to give to the persons referred to in sub-paragraph (a) access to sites and premises where the relevant information and documents are kept.
- (c) The Borrower and the Borrower's Agent shall ensure investigation and satisfactory treatment of any suspected and actual cases of fraud, corruption or any other illegal activity in relation to the management of the stability support. Provisions which are fully or in part invalid, illegal or unenforceable shall be interpreted and thus implemented according to the spirit and purpose of this Agreement.
- (2) The Preamble and the Annexes to this Agreement form an integral part of this Agreement.

A "**Commitment Confirmation**" means a written confirmation (in accordance with Annex 4 to the Intercreditor Agreement) by a Lender to the Commission that under its national laws it is duly authorised to participate as a Lender under this Agreement.

- (2) It is acknowledged and agreed that the Commitment Confirmation of a Lender may be of provisional application in accordance with the national laws and legislation of the relevant Member State. If under applicable national laws the provisional authorisation is revoked, terminated or expires then the Commitment of the relevant Lender shall be revoked and cancelled with respect to future disbursements of Loans but this shall not give rise to any acceleration of any Loan already disbursed by such Lender under this Agreement.

Re: Loan Facility Agreement between certain Euro Area Member States and KfW (as Lenders) and the Hellenic Republic (as Borrower) and the Bank of Greece (as the Borrower's Agent) signed on [•] 2010
Legal Opinion

Dear Sirs,

In our capacity as the Legal Advisor to the State at the Ministry of Justice, Transparency and Human Rights and the Legal Advisor to the State at the Ministry of Finance, we refer to the above referenced Loan Facility Agreement and its Annexes which constitute an integral part thereof (hereinafter together referred to as the “**Agreement**”) entered into between, among others, certain Euro Area Member States and KfW (hereinafter referred to as the “**Lenders**”) and the Hellenic Republic (hereinafter referred to as the “**Borrower**”) on [•]. I also refer to the the Memorandum of Economic and Financial Policies, the Memorandum of Understanding on Specific Economic Policy Conditionality and the Technical Memorandum of Understanding (hereinafter referred to together as the “**MoU**”).

We warrant that we are fully competent to issue this legal opinion in connection with the Agreement on behalf of the Borrower.

We have examined originals of the Agreement and of the MoU. We have also examined the relevant provisions of national and international law applicable to the Borrower and the Borrower's Agent, the powers of signatories and such other documents as we have deemed necessary or appropriate. Furthermore, we have made such other investigations and reviewed such matters of law as we have considered relevant to the opinion expressed herein.

We have assumed (i) the genuineness of all signatures (except the Borrower and the Borrower's Agent) and the conformity of all copies to originals, (ii) the capacity and power to enter into the Agreement of, and their valid authorisation and signing by, each party other than the Borrower and the Borrower's Agent and (iii) the validity, binding effect and enforceability of the Agreement on each party under the laws of England.

Terms used and not defined in this opinion shall have the meaning set out in the Agreement in the MoU.

This opinion is limited to Hellenic law as it stands at the date of this opinion.

Subject to the foregoing, we are of the opinion that:

1. With respect to the laws, regulations and legally binding decisions currently in force in the Hellenic Republic, the Borrower is by the execution of the Agreement and the MoU by [insert name], Minister of Finance, validly and irrevocably committed to fulfil all of its obligations under it. In particular, the provisions of the Agreement relating to the advance of Loans are fully valid.
2.
