- (b) the amount of the final payment to be made under the construction contract,

or for an adequate mechanism for determining those amounts.

(2) A construction contract shall provide for—

- (b) the period between the payment claim date for each such amount and the date on which the amount is so due.

(3) The *Schedule* shall apply to a main contract if and to the extent that it does not make provision for the matters specified in *subsections (1) and (2)*.

(4) The *Schedule* shall apply to a subcontract except to the extent that it makes provision which is more favourable to the executing party than that which would otherwise be made by the *Schedule*.

(5) Except after the occurrence of the circumstances specified in *subsection (6)*, a provision in a construction contract is ineffective to the extent that it provides that payment of an amount due under the construction contract, or the timing of such a payment, is conditional on the making of a payment by a person who is not a party to the construction contract.

(6) The circumstances referred to in *subsection (5)* are:

- (a) where the other person is a company other than an unregistered company—

that the other person alleges against the executing party, the response shall also specify—

(10) The decision of the adjudicator shall be binding until the payment dispute is finally settled by the parties or a different decision is reached on the reference of the payment dispute to arbitration or

in proceedings initiated in a court in relation to the adjudicator's decision.

(11) The decision of the adjudicator, if binding, shall be enforceable either by action or, by leave of the High Court, in the same manner as a judgment or order of that Court with the same effect and, where leave is given, judgment may be entered in the terms of the decision.

(12) The decision of the adjudicator, if binding, shall, unless otherwise agreed by the parties, be treated as binding on them for all purposes and may accordingly be relied on by any of them, by way of defence, set-off or otherwise, in any legal proceedings.

(13) The adjudicator may correct his or her decision so as to remove a clerical or typographical error arising by accident or omission but may not reconsider or re-open any aspect of the decision.

(14) The adjudicator is not liable for anything done or omitted in the discharge or purported discharge of his or her functions as adjudicator unless the act or omission is in bad faith, and any employee or agent of the adjudicator is similarly protected from liability.

(15) Each party shall bear his or her own legal and other costs incurred in connection with the adjudication.

(16) The parties shall pay the amount of the fees, costs and expenses of the adjudicator in accordance with the decision of the adjudicator.

(17) An adjudicator may resign at any time on giving notice in writing to the parties to the dispute and the parties shall be jointly and severally liable for the payment of the reasonable fees, costs and expenses incurred by the adjudicator up to the date of resignation.

- (b) after the decision of the adjudicator is referred to arbitration or proceedings are otherwise initiated in relation to the decision.

(4) Where work is suspended under *subsection (1)* and the ability of the executing party or a subcontractor to complete work within a contractual time limit is affected by the suspension of work, the period of suspension shall be disregarded for the purpose of computing the contractual time limit.

(5) A period of suspension of work under *subsection (1)* shall also be disregarded for the purpose of computing the time taken to complete the work under another construction contract where—

- (a) the construction contract, the work under which is suspended, is a subcontract,
- (b) the other construction contract is also a subcontract and the other party to that other subcontract is the same as the other party to the subcontract the work under which is suspended, and
