## EXPLANATORY NOTE

*(This note is not part of the Instrument and does not purport to be a legal interpretation)*

These Regulations extend, for an additional 3 months, amendments to the Child Care (Placement of Children with Relatives) Regulations 1995 to provide for the assessment of relatives in cases of emergency placements, having regard to the obligations and restrictions required by the State for the safeguarding of public health, and to allow for the introduction, on a temporary basis of a more flexible approval process. These Regulations continue the suspension of the statutory time-periods for the visiting of children placed with relatives and allow for visits to take place, in accordance with all public health notifications and obligations. In addition, contact must be maintained, outside of visits, by the Child and Family Agency with children placed with relatives, in accordance with the frequency previously set out in Regulations.

These Regulations may be cited as the Child Care (Placement of Children with Relatives) (Emergency Measures in the Public Interest - Covid-19) (Amendment) (No. 1) Regulations 2020.
