EXPLANATORY NOTE

(This note is not part of the Instrument and does not purport to be a legal interpretation)

The purpose of these Regulations is to transpose into Irish law Directive (EU) 2018/957, which amends Directive 96/71/EC concerning the posting of workers in the framework of the provision of services.

A posted worker is defined as a person who, for a limited period of time, carries out his or her work in the territory of an EU Member State other than the State in which he or she normally works.

Regulation 1 provides that these Regulations may be cited as the European Union (Posting of Workers) (Amendment) Regulations 2020 and will come into force on 1st October 2020.

Regulation 2 provides that “Principal Regulations” means the European Union (Posting of Workers) Regulations 2016 (S.I. No. 412 of 2016).

Regulation 3 provides for a number of amendments to Regulation 2 of the Principal Regulations, including the interpretation of ‘net remuneration’.

Regulation 4 provides for the amending of Regulation 4 of the Principal Regulations. It provides for the definition of ‘relevant body’ to include a temporary employment undertaking and a placement agency and specifies the provision of information requirements that a user undertaking in the State, as well as a service provider or relevant body in another Member State, must comply with in respect of posted workers.
