EXPLANATORY NOTE

(This note is not part of the Instrument and does not purport to be a legal interpretation.)

These Regulations update the existing provisions dealing with the assessment of means – non-cash benefits – to take account of the European Communities (Reception Conditions) Regulations 2018, which give effect in Irish law to Directive 2013/33/EU of the European Parliament and of the Council of 26 June 2013 laying down standards for the reception of applicants for international protection (“The Reception Conditions Directive”).

These Regulations provide that for the purposes of the Supplementary Welfare Allowance scheme, the net cash value of meals, accommodation and related services provided by the Department of Justice and Equality is to be taken into account, in the assessment of means, of those who have been granted refugee status, subsidiary protection or who have refugee status on arrival under UN resettlement programmes.

The effect of these Regulations will cease on 31 December 2018. This amendment is a temporary measure to allow the continuation of the existing arrangements following the introduction of the European Communities (Reception Conditions) Regulations 2018, pending a more detailed examination of the appropriate arrangements for people with status before they move to accommodation in the community.
