INDEMNITIES IN RESPECT OF CERTAIN CULTURAL OBJECTS

42.—In this Part—

Definitions (*Part III*).

“authorised area of an institution” means, in relation to an institution, the premises specified in *column (2)* of the *Second Schedule* opposite the mention of the institution specified in *column (1)* thereof;

“cultural object” includes museum heritage objects, library material and any other object or thing considered appropriate to be exhibited or kept by an institution specified in the *Second Schedule*.

43.—(1) Subject to the subsequent provisions of this section, the Minister may, with the consent of the Minister for Finance, in such cases and to such extent as the Minister may determine, undertake to indemnify any person for the loss of, or damage to, a cultural object kept outside the State while that object is on loan to an institution specified in the *Second Schedule* from a person resident outside the State for the purpose of public exhibition in an authorised area of the institution:

Indemnities in respect of cultural objects on loan.

Provided that the Minister is of opinion that the public exhibition of the object will contribute materially to public understanding or appreciation of art and culture and the value of the object is shown to the satisfaction of the Minister to have been agreed on between the institution and the lender.

(2) References in this section to the loss of, or damage to, an object while on loan include references to the loss of, or damage to, the object while being taken to or returned from the place where it is to be exhibited while on loan.

(3) Where at any time the giving of a particular undertaking or undertakings, as the case may be, would cause the aggregate amount of liability at any time of the Minister to exceed the amount standing specified for the time being in *subsection (1)*, if the Minister considers it appropriate to do so, he or she may, with the consent of the Minister for Finance, by order vary the amount standing specified by substituting an amount that is larger than the amount standing specified for the time being and, if the Minister does so, he or she shall

(b) Without prejudice to the generality of *paragraph (a)*, in making a determination under that paragraph the Minister shall have regard to the value of cultural objects sold at such auctions in the United States of America, France and the United Kingdom of Great Britain and Northern Ireland as the Minister considers appropriate and shall also have regard to any relevant art sale indexes.

(5) Any amount required to meet a liability incurred by the Minister under this section shall be advanced out of the Central Fund or the growing produce thereof and shall be repaid to the Central Fund out of moneys provided by the Oireachtas.
