Applications for designation as participating institution.

62.—(1) A credit institution may apply to the Minister, within 60 days (or such longer period that the Minister prescribes by order under this subsection) after the establishment day, for it and its subsidiaries to be designated as participating institutions. A credit institution that applies under this subsection shall include all of its subsidiaries in the application (including those that it has requested be excluded from designation).

(2) An applicant credit institution may include in its application a request to exclude particular subsidiaries from designation, and shall give reasons for any requested exclusion.

(3) An application under *subsection (1)* shall be in the form that the Minister directs. The Minister may direct that different forms shall be used for that purpose by different credit institutions.

(4) The Minister may direct an applicant credit institution to provide, as part of its application, a certificate, supported by a statutory declaration, in relation to it and all of its subsidiaries collectively, jointly by the chief executive officer and chief financial officer of the applicant credit institution—

(a) that since 30 July 2009, it and each of its subsidiaries has dealt in the way required by *section 66(1)* with such of its bank assets as the Minister specifies, or if to any extent it has not done so, the extent to which it has not done so, and

(6) An applicant credit institution shall undertake to obtain all necessary consents, in accordance with any applicable law including the consents of all its subsidiaries (including subsidiaries that it has requested be excluded from designation) and any necessary consent of any other member of its group. The Minister may consider the relevant application whether or not he or she has evidence that any relevant consent has been obtained and is not required to seek evidence of any such consent.

(7) An applicant credit institution may make an application under this section notwithstanding that at the time of the application it has not yet received any or all of the necessary consents.

Effect of application for designation, etc.

63.—(1) By making an application under this Chapter the applicant credit institution and all of its subsidiaries shall be taken to undertake, subject to any prohibition in any applicable law, to comply with the provisions of this Act (including this Act as amended from time to time) and of any regulations made under it (including any regulations made designating further classes of bank assets as eligible bank assets), so far as those provisions apply to it as an applicant or participating credit institution. As and from the making of the application they shall be bound to comply with that undertaking.

(2) The service of a notice on, or any communication with, an applicant credit institution is for all purposes effective as service of the notice on, or communication with, every subsidiary of the credit institution.

64.—(1) An applicant credit institution shall provide any information, explanation, books, documents and records that the Minister requires to consider the application, and in particular shall provide any information, explanation, books, documents and records that the Minister considers necessary to enable him or her to make a decision in relation to the matters set out in *section 67(2)*.

(4) An applicant credit institution shall, in a certificate under *subsection (3)*, disclose in utmost good faith all matters and circumstances in relation to the credit institution or any subsidiary that might materially affect, or might reasonably be expected to materially affect, the Minister's decision in relation to the matters mentioned in *subsection (2)* of *section 67* (except *paragraph (b)(iv)* of that subsection).

65.—(1) An applicant credit institution and each of its subsidiaries shall be taken to have, and always to have had, as part of its functions and objects, the power and capacity to—

(3) Nothing in this section limits the liability of an applicant credit institution or subsidiary to any person based on a transaction beyond its powers. However, any claim based on such a transaction—

- (a) is enforceable only against the applicant credit institution or subsidiary and not against NAMA or any NAMA group entity, and
- (b) gives rise to a remedy in damages only.

Dealings by applicant credit institutions, etc., with eligible bank assets after application for designation.

66.—(1) An applicant credit institution and each of its subsidiaries shall, until the Minister makes or is taken to have made a decision on the application—

- (a) administer, service and deal with all of its eligible bank assets in the same manner as, and with the same level of professional skill, care and diligence as, a prudent lender acting reasonably would so administer, service and deal, and
- (b) so act in relation to those bank assets in good faith having regard to the purposes of this Act.

(2) An applicant credit institution and each of its subsidiaries shall not without the prior written approval of NAMA—

- (a) deal with any of its eligible bank assets otherwise than in the ordinary course of its business,
- (b) deal with any of its eligible bank assets in such a way as to prejudice or impair NAMA's prospective interests or priorities in relation to such a bank asset,
- (c) compromise, release, vary or relinquish any claim or otherwise take or omit to take any action if its doing so could reduce, lessen or impair any security, right, obligation, ranking or priority held or enjoyed, directly or indirectly, in connection with such a bank asset, or
- (d) amend or vary any contract relating to such a bank asset unless contractually obliged to do so.

(3) NAMA may issue guidelines or policy statements in relation to the kinds of transactions that it is likely to be prepared to approve under *subsection (2)*.

67.—(1) The Minister, after consultation with the Governor and the Regulatory Authority, may designate an applicant credit institution as a participating institution if the credit institution has applied under *section 62* to be so designated.

(2) The Minister shall not designate an applicant credit institution as a participating institution unless he or she is satisfied that—

- (a) the applicant credit institution is systemically important to the financial system in the State,
- (b) the acquisition of bank assets from the applicant credit institution or its subsidiaries is necessary to achieve the purposes of this Act, having regard to—

(i) support that—

(I) is available to,

(II) has been received by, or

(III) in normal commercial circumstances might reasonably be expected, or might reasonably have been expected, to be or to have been available to,

the applicant credit institution or its subsidiaries from the State, any other Member State or a member of the group of the applicant credit institution,

(ii) the financial situation and stability of the applicant credit institution and its subsidiaries,

(iii) the financial situation and stability of the applicant credit institution's group in the event that bank assets are not acquired from the applicant credit institution or its subsidiaries, and

(iv) the resources available to NAMA and the Minister,

and

(c) the applicant credit institution has complied with all of its applicable obligations under this Act.

(3) The designation of an applicant credit institution as a participating institution operates to designate as participating institutions all of its subsidiaries except any subsidiary excluded under *subsection (6)*.

(4) Designation (including designation of a subsidiary in accordance with *subsection (3)*) has effect notwithstanding the absence of any necessary consent to the relevant application. Designation of a subsidiary does not prejudice any rights that the subsidiary may have against the relevant applicant credit institution.

(5) Before deciding whether to designate an applicant credit institution as a participating institution, the Minister, having consulted the Regulatory Authority, may direct that specified due diligence and stress testing of the applicant credit institution or any member of its group be carried out.

(6) If the Minister designates an applicant credit institution as a participating institution, he or she may exclude any subsidiary of the applicant credit institution from designation on any condition that he or she specifies, if he or she is satisfied that the subsidiary should not be designated.

(7) Where the Minister has specified a condition under *subsection (6)* in relation to the exclusion of a subsidiary of an applicant credit institution, and there is a failure to comply with the condition, the Minister may, by written notice to the applicant credit institution and the subsidiary, designate the subsidiary as a participating institution as at and from the date of the notice or a later date that the Minister specifies in the notice.

(8) If the Minister has not designated a credit institution as a participating institution within 3 months after its application under *section 62*, the Minister is taken to have refused the application.

Obligations of participating institutions.

68.—(1) A participating institution shall—

- (a) when making a report, or providing information, books, records or an explanation, whether or not in answer to a request from NAMA or the Minister, make full disclosure in utmost good faith of matters relevant to the making of a decision by NAMA whether or not to acquire a bank asset or the determination of its acquisition value,

- (e) comply with such monitoring of lending and balance sheet management as the Minister in consultation with the Regulatory Authority directs, and
- (f) comply with any other requirement that the Minister specifies to achieve an effective acquisition of bank assets by NAMA.

(2) A participating institution shall provide such information, explanations, books, documents and records as the Minister requires to perform his or her functions under this Act.

(3) A participating institution shall be taken to have consented to any disclosure of information under *section 205*.

CHAPTER 2

Designation of Eligible Bank Assets

69.—(1) The Minister may, after consultation with NAMA, the Governor and the Regulatory Authority, and considering the purposes of NAMA and the resources available to the Minister, prescribe, by regulation, classes of bank asset as classes of eligible bank asset. Eligible bank assets.

(2) The classes of bank assets prescribed under *subsection (1)* may include—

- (a) credit facilities issued, created or otherwise provided by a participating institution—
 - (i) for the purpose, whether direct or indirect and whether in whole or in part, of purchasing, exploiting or developing development land,
 - (ii) where the security connected with the credit facility is or includes development land,
 - (iii) where the security connected with the credit facility is or includes an interest in a company engaged in purchasing, exploiting or developing development land,
 - (iv) where the credit facility is directly or indirectly guaranteed by a company referred to in *subparagraph (iii)*,
 - (v) directly or indirectly to a debtor who has provided security referred to in *subparagraph (ii)* or *(iii)*, or
 - (vi) directly or indirectly to a person who is an associated debtor of a debtor to whom a credit facility described in any of *subparagraphs (i)* to *(iii)* has been provided,
- (b) credit facilities and classes of credit facilities (other than credit facilities referred to in *paragraph (a)*) relating to debtors or associated debtors of participating institutions (or classes of debtors or associated debtors of participating institutions) where the total amount of indebtedness in respect of such facilities is such that, in the opinion of the Minister, acquisition by NAMA is necessary for the purposes of this Act,
- (c) other rights arising directly or indirectly in connection with a credit facility described in *paragraph (a)* or *(b)* including—

- (a) the total number of credit facilities or classes of credit facilities provided by the participating institution to those debtors and associated debtors or classes of debtors and associated debtors, and
- (b) the aggregate indebtedness of debtors and associated debtors or classes of debtors or associated debtors referred to in subsection (2)(b) owed to any other participating institution.

(4) A bank asset that is in a class prescribed under subsection (1) is referred to in this Act as an “eligible bank asset”.

(5) A class of bank asset prescribed under subsection (1) shall be taken not to include a credit facility that entered a participating institution’s balance sheet after 31 December 2008. For the avoidance of doubt, where a credit facility entered a participating institution’s balance sheet on or before 31 December 2008, but security was taken for the credit facility after that date, and the credit facility is otherwise an eligible bank asset, the credit facility is an eligible bank asset.

(6) Notwithstanding subsection (5), a bank asset in a prescribed class is an eligible bank asset if, in the opinion of NAMA, the related credit facility entered a participating institution’s balance sheet on or before that date even if renegotiated or refinanced after that date. For the purposes of determining whether a credit facility entered a participating institution’s balance sheet on or before 31 December 2008, NAMA may take into account the terms of any renegotiation, restructuring or refinancing of a credit facility effected after 31 December 2008.

ACQUISITION OF BANK ASSETS AND RELATED MATTERS

CHAPTER 1

Acquisition of Bank Assets

Applicant credit institutions and participating institutions to provide information about eligible bank assets.

80.—(1) NAMA may direct an applicant credit institution or a participating institution to provide NAMA with information, in the form directed by NAMA, about each of its bank assets, and (in the case of an applicant credit institution) each bank asset of each of its subsidiaries, that may be an eligible bank asset. In the case of a participating institution, such a direction has effect as a direction to provide that information about the bank assets of the participating institution and each of its subsidiaries that is also a participating institution.

(2) In particular, NAMA may require the provision of information about the debtors, associated debtors, guarantors and sureties concerned and the enforceability and marketability of the security associated with each such bank asset.

(3) When an applicant credit institution or participating institution provides information about bank assets under *subsection (1)* or *(2)*, it shall, if it is of the opinion that a bank asset is not an eligible bank asset, state that fact, that it objects to the acquisition of the bank asset, and the reason for the opinion. If an applicant credit institution or a participating institution wishes to object to the proposed acquisition of a bank asset, it shall do so in that way and the objection shall be dealt with in accordance with *Chapter 1 of Part 7*.

(4) In a direction under *subsection (1)*, NAMA may require that the information concerned is to be provided in a particular specified manner or form, including by way of tranches described by reference to debtors, associated debtors, security or in any other way.

(5) NAMA may direct an applicant credit institution or a participating institution that any information provided by the applicant credit institution, any of its subsidiaries or the participating institution under *subsection (1)* or *(2)* is to be certified as accurate and complete jointly by the chief executive officer and chief financial officer of the applicant credit institution or participating institution.

(6) An applicant credit institution or participating institution shall, on request by NAMA, provide NAMA with a report or a certificate or both, in the form directed by NAMA, about—

- (a) any of its bank assets, or those of a subsidiary, that may be eligible bank assets, or
- (b) any information relevant to the determination of the terms of acquisition (including the acquisition value) of any such bank asset.

(7) An applicant credit institution or a participating institution shall, in a report or certificate under *subsection (5)* or *(6)*, disclose in utmost good faith all matters and circumstances in relation to each bank asset concerned that might materially affect, or might reasonably be expected to materially affect, NAMA's decision to acquire the bank asset or the determination of its acquisition value.

(8) Notwithstanding any legal or contractual restriction, NAMA and a NAMA group entity may disclose to each other any information, or any report, certificate or other document, that either one obtains in connection with the performance of any of its functions.

81.—(1) An applicant credit institution or a participating institution shall, if NAMA so requests, produce to NAMA for inspection the credit facility documentation, books and records kept in connection with any eligible bank asset. The applicant credit institution or participating institution shall give NAMA such facilities for inspecting and taking copies of the contents of any such documentation, book or record as NAMA requires.

Production of documentation, books and records for inspection.

(2) NAMA may direct an applicant credit institution or a participating institution to procure that any of its subsidiaries—

- (a) produces to NAMA for inspection the credit facility documentation, books and records kept in connection with any eligible bank asset, and
- (b) gives NAMA such facilities for inspecting and taking copies of the contents of any such documentation, book or record as NAMA requires.

(3) If an applicant credit institution, participating institution or subsidiary is required under *subsection (1)* or *(2)*—

- (a) to produce documentation or a book or record in connection with a bank asset to NAMA, or
- (b) to provide facilities to NAMA to inspect or take copies of the contents of any such documentation, book or record,

and fails to do so, NAMA may apply to the Court, on notice to the credit institution or participating institution for an order directing the credit institution, participating institution or subsidiary to produce the documentation, book or record, or provide the facilities, as the case requires.

(4) The Court may make an order pursuant to the application under *subsection (3)* if the Court is satisfied that the production of the documentation, book or record, or the provision of the facilities sought is reasonably necessary to enable NAMA to perform any of its functions under this Act. The Court may make any interlocutory order (including a mandatory order) that it considers necessary in the circumstances.

(5) If the Court is satisfied that for reasons of commercial confidentiality a hearing under this section should be conducted otherwise than in public, the Court may so order.

(6) Subject to the privilege against self-incrimination, a document, book or record produced by a person in answer to a request or order under this section is admissible in evidence.

82.—(1) An applicant credit institution or a participating institution shall provide any information and explanations requested by NAMA in relation to the matters referred to in *sections 80* and *81* or any other matter relevant to the acquisition of a bank asset, and shall also secure that an officer or staff member of the applicant

(2) NAMA may direct an applicant credit institution or participating institution to procure that any of its subsidiaries provides the information or explanations referred to in *subsection (1)* in relation to the bank assets of the subsidiary.

(3) If an applicant credit institution or participating institution is required to secure that an officer or staff member of the applicant credit institution, subsidiary or participating institution provides an explanation or information under this section, and fails to do so, NAMA may apply to the Court, on notice to the applicant credit institution or participating institution, for an order directing the applicant credit institution, subsidiary or participating institution to secure the provision of the explanation or information.

(4) The Court may make an order referred to in *subsection (3)* if the Court is satisfied that the provision of the explanation or information sought is reasonably necessary to enable NAMA to make a decision whether to acquire the bank asset concerned or determine its acquisition value. The Court may make any interlocutory order (including a mandatory order) that it considers necessary in the circumstances.

(5) If the Court is satisfied that for reasons of commercial confidentiality a hearing under this section should be conducted otherwise than in public, the Court may so order.

(6) Subject to the privilege against self-incrimination, information provided by a person in answer to a request or order under this section is admissible in evidence.

Obligations to co-operate and act in good faith, etc.

83.—(1) If a person who is a debtor, associated debtor, guarantor or surety of a credit facility has been notified that the credit facility is an eligible bank asset, the person shall co-operate and shall, in good faith, promptly furnish to the participating institution such information relating to the eligible bank asset concerned as the participating institution requests for the purposes of its compliance with a requirement or direction under *section 80, 81 or 82*.

(2) If a person referred to in *subsection (1)* fails to comply with a requirement of that subsection, the participating institution concerned may apply to the Court, on notice to the person, for an order directing the person to comply with the requirement in any way specified in the order, and shall notify NAMA that it has done so.

(3) The Court may make an order (including a mandatory order) under *subsection (2)* if the Court is satisfied that the compliance sought is reasonably necessary to enable the participating institution concerned to comply with the requirement or direction under *section 80, 81 or 82*. The Court may make any interlocutory order that it considers necessary in the circumstances.

(4) If the Court is satisfied that for reasons of commercial confidentiality a hearing under this section should be conducted otherwise than in public, the Court may so order.

(5) Subject to the privilege against self-incrimination, a document, book or record produced by a person in answer to a request or order under this section is admissible in evidence.

(6) If a participating institution suffers loss as a result of a debtor, guarantor or surety failing to comply with an obligation under *subsection (1)*, the debtor, guarantor or surety shall be liable in damages to the participating institution.

84.—(1) NAMA may acquire an eligible bank asset of a participating institution if NAMA considers it necessary or desirable to do so having regard to the purposes of this Act and in particular the resources available to the Minister. NAMA is not obliged to acquire any particular, or any, eligible bank asset of such an institution on any grounds.

Decision about acquisition of eligible bank assets.

(2) For the avoidance of doubt, NAMA may acquire, from a participating institution, performing or non-performing eligible bank assets.

(3) For the avoidance of doubt, NAMA may, subject to *Chapter 1 of Part 7*, take steps to acquire an eligible bank asset even though the participating institution concerned has indicated in information provided to NAMA under *section 80* that it does not consider the bank asset to be an eligible bank asset and that it objects to its acquisition.

(4) Without prejudice to the generality of *subsection (1)*, NAMA may, in deciding whether to acquire a particular eligible bank asset, take into account—

- (a) whether any security that is part of the bank asset is adequate,
- (b) whether any security that is part of the bank asset has been perfected,
- (c) the value of that security,
- (d) whether the relevant credit facility documentation is defective or incomplete,
- (e) whether the participating institution concerned or any other person has engaged in conduct concerning the bank asset that is or could be prejudicial to the position of NAMA,
- (f) whether the participating institution has complied with its contractual and legal obligations and its obligations under this Act in relation to the bank asset, or its eligible bank assets generally,

- (l) any matter disclosed in any due diligence carried out by the participating institution or NAMA,

- (n) any other matter that NAMA considers relevant.

(5) Where NAMA determines that the long-term economic value of the property comprised in the security for a credit facility that is an eligible bank asset is less than the market value of the property, NAMA shall not acquire the bank asset.

NAMA to identify eligible bank assets for acquisition.

85.—(1) NAMA shall identify such of the eligible bank assets of a participating institution as NAMA proposes to acquire.

(2) NAMA may, for the purposes of identifying eligible bank assets that it proposes to acquire, consult with the participating institution concerned, but is not obliged to do so. The participating institution shall co-operate expeditiously with NAMA in any such consultation.

(3) If a participating institution has stated in information provided under *section 80* that it does not consider a particular bank asset that NAMA proposes to acquire to be an eligible bank asset and that it objects to its acquisition, NAMA may—

- (a) agree not to acquire the bank asset, or
- (b) continue with the proposed acquisition and refer the matter to the expert reviewer.

(4) If NAMA proposes to continue with a proposed acquisition in accordance with *subsection (3)(b)*, NAMA shall notify the participating institution concerned of that fact as soon as may be.

(5) NAMA shall inform the participating institution of its proposed timetable for the acquisition of the eligible bank assets identified for acquisition. The timetable may specify that identified bank assets will be acquired on different dates.

NAMA may specify general terms and conditions of acquisition.

86.—(1) NAMA may, from time to time, specify the terms and conditions that are to apply generally to the acquisition of eligible bank assets.

(2) The terms and conditions specified under *subsection (1)* may include the following warranties:

- (a) a warranty (which may be subject to any legal reservation approved by NAMA in a particular case) that the security for the relevant bank asset is enforceable;

- (b) a warranty that any land that is the security for the bank asset has good and marketable title;
- (c) a warranty that the facts in the participating institution's report in relation to the bank asset are complete and accurate;
- (d) a warranty that any certificate provided in relation to the bank asset is accurate and complete;
- (e) any other warranty customarily included in transactions for the purchase of bank assets.

(3) In relation to any particular acquisition NAMA may amend or vary the terms and conditions specified under *subsection (1)* as it thinks fit, but if it does so, it shall set out the amendment or variation in the relevant acquisition schedule.

87.—(1) When NAMA has identified an eligible bank asset of a participating institution that NAMA proposes to acquire, and has determined the acquisition value of that asset, NAMA shall serve on the institution a schedule (referred to in this Act as an “acquisition schedule”).

NAMA to prepare acquisition schedule.

(2) NAMA may nominate a NAMA group entity as the entity that is to acquire a bank asset identified for acquisition.

(3) An acquisition schedule shall set out for each eligible bank asset to be acquired—

- (a) a statement of the eligible bank asset and the interest to be acquired,

(5) For the avoidance of doubt, an acquisition schedule may specify any number of particular eligible bank assets.

(6) For the avoidance of doubt, NAMA may serve more than one acquisition schedule on a participating institution.

(7) The date of acquisition of a designated bank asset shall be at least 28 days after the relevant acquisition schedule is served on the

participating institution concerned unless NAMA specifies a shorter period in the acquisition schedule.

Errors or omissions in proposed acquisition schedules.

88.—A participating institution may apply to NAMA in writing for the correction of an obvious error or omission in an acquisition schedule. An application under this section is not an objection for the purposes of *section 80* and *section 114*.

Amendment of acquisition schedule.

89.—(1) After service of an acquisition schedule on a participating institution, but before the earliest acquisition date specified in the acquisition schedule, NAMA may—

(3) When NAMA has amended an acquisition schedule (in this subsection called the “original acquisition schedule”), NAMA shall serve an amended acquisition schedule on the participating institution. Where NAMA does so, the amended acquisition schedule has effect in place of the original acquisition schedule.

(4) When NAMA has revoked an acquisition schedule, NAMA shall serve on the participating institution a notice of the revocation. The revoked acquisition schedule is of no effect from the date of that service.

(5) References in this Act to an acquisition schedule include an acquisition schedule that has been amended in accordance with this section.

Effect of service of acquisition schedule.

90.—(1) Subject to *subsection (7)*, the service of an acquisition schedule on a participating institution in accordance with *section 87* or *89* operates by virtue of this Act to effect the acquisition of each bank asset specified in the acquisition schedule by NAMA or the specified NAMA group entity, on the date of acquisition specified in the acquisition schedule as the date of acquisition of the bank asset, notwithstanding that the consideration for the acquisition has not been paid.

(2) The acquisition of a bank asset pursuant to *subsection (1)* is subject to the terms and conditions set out in the acquisition schedule

and any general terms and conditions specified by NAMA under *section 86(1)* except to any extent that the acquisition schedule excludes or modifies such specified terms and conditions.

(3) Unless otherwise provided in an acquisition schedule, where an eligible bank asset is acquired, every relevant contract is deemed to be assigned to NAMA or the specified NAMA group entity, as the case may be.

(4) In *subsection (3)* “relevant contract” means a contract—

- (a) relating to the bank asset,
- (b) to which the participating institution is a party or in which it has an interest, and
- (c) the existence of which has been disclosed to NAMA in writing.

(5) Unless otherwise provided in an acquisition schedule, where an eligible bank asset is acquired, NAMA or the specified NAMA group entity, as the case may be, becomes entitled to the benefit of—

- (c) any insignificant or immaterial error or any obvious error, or
- (d) any provision of any enactment to the contrary.

(7) The service of an acquisition schedule on a participating institution in accordance with *sections 87 and 89* does not have the effects mentioned in *subsections (1), (3) and (5)* in relation to a bank asset if—

[No. 34.] *National Asset Management Agency* [2009.]
Act 2009.

- (a) notwithstanding that the participating institution stated in information provided under *section 80* that it did not consider the bank asset to be an eligible bank asset, and that it objected to its acquisition NAMA decided under *section 85(3)* to take steps to acquire the bank asset, and
- (b) on the acquisition date—
- (i) the Minister has not confirmed the inclusion of the bank asset in the acquisition schedule in accordance with *section 117*, or
- (ii) NAMA—
- (I) has amended the acquisition schedule to remove the bank asset from the acquisition schedule, or
- (II) has revoked the acquisition schedule in accordance with *section 89* or *121*.

Effect of service of acquisition schedule in relation to foreign bank assets.

91.—(1) In this Part—

“foreign bank asset” means a bank asset in which the transfer or assignment of any right, title or interest that NAMA proposes to acquire is governed in whole or in part by the law of a state (including the law of a territorial unit of a state) other than the State;

“foreign law”, in relation to a foreign bank asset or a transaction in relation to a foreign bank asset means the law of a state other than the State.

(2) In this section, where a bank asset is to be acquired by a NAMA group entity, a reference to NAMA in this section (but not in *sections 92* and *93* as applied by *subsection (10)*) shall be construed as a reference to the NAMA group entity.

(3) To the extent that a bank asset proposed to be acquired by NAMA is or includes a foreign bank asset—

- (a) if the law governing the transfer or assignment of the foreign bank asset permits the transfer or assignment of that asset, the participating institution shall if NAMA so directs do everything required by law to give effect to the acquisition, or
- (b) if the relevant foreign law does not permit the transfer or assignment of the foreign bank asset, the participating institution shall if NAMA so directs do all that the participating institution is permitted to do under that law to assign to NAMA the greatest interest possible in the foreign bank asset.

(4) A participating institution, to the extent that a foreign bank asset is one to which *subsection (3)(b)* applies—

- (a) is subject to duties, obligations and liabilities as nearly as possible corresponding to those of a trustee in relation to that bank asset, and
- (b) shall hold the bank asset for the benefit and to the direction of NAMA,

in each case subject to the nature of, and the terms and conditions of the acquisition of, the foreign bank asset.

(5) *Subsection (3)* applies in so far as the service of an acquisition schedule would not, of itself, as a matter of foreign law, operate to give effect to the acquisition of a foreign bank asset or otherwise effect or achieve the result referred to in that subsection in relation to such a bank asset.

(6) Without prejudice to *subsection (4)*, a participating institution shall, immediately upon being so directed by NAMA to do so, execute and deliver to NAMA any contract, document, agreements, deed or other instrument that NAMA considers necessary or desirable to ensure that there is effected a binding acquisition by NAMA or the NAMA group entity concerned, under the applicable law, of the interest specified in the relevant acquisition schedule. NAMA may issue more than one direction under this subsection in connection with a foreign bank asset.

(7) A trust, duty, obligation or liability created or constituted by this section shall not be taken to constitute a security.

(8) A participating institution shall comply with any direction of NAMA in relation to any duty, obligation or liability under this section.

(9) A participating institution shall obtain, make, maintain and comply with any authorisation, consent, approval, resolution, licence, exemption, filing, notarisation or registration that is necessary in the State and in any other place in connection with ensuring the legality and enforceability of any act, matter or thing referred to in this section.

(10) *Sections 92 and 93* apply with any necessary modifications in relation to a foreign bank asset.

92.—(1) As soon as may be after the service on a participating institution of an acquisition schedule (or after service of an amended acquisition schedule or a decision under *section 117 or 121* to confirm or continue with an acquisition schedule, as the case may be), NAMA shall notify the Minister and the NTMA of the amount payable to the participating institution as the acquisition value of the bank assets to be acquired.

Payment for bank assets.

(2) The Minister shall ensure that debt securities to an amount sufficient to allow the payment of the consideration payable under the acquisition schedule (other than any part of the consideration provided by an issue of subordinated debt securities under *section 49*) are issued.

(3) On the date of acquisition of a bank asset, NAMA or the NAMA group entity that acquired the bank asset shall transfer or issue to the participating institution concerned debt securities, or debt securities and subordinated debt securities, equal to the acquisition value of the bank asset.

(4) *Subsections (1), (2) and (3)* have effect in relation to a bank asset even if at the relevant time the total portfolio acquisition value is the subject of an objection.

(5) Subject to *subsection (6)*, in the case of the acquisition of a foreign bank asset (within the meaning given by *section 91*), on the

date of acquisition, NAMA or the NAMA group entity concerned shall transfer or issue to the participating institution concerned debt securities, or debt securities and subordinated debt securities, equal in value to the acquisition value of the bank asset.

(6) In the case of the acquisition of a foreign bank asset (within the meaning given by *section 91*), NAMA or the NAMA group entity concerned may withhold all or part of the acquisition value of a foreign bank asset until satisfied that the participating institution concerned has met its obligations under *section 91*.

Clawback of overpayments.

93.—(1) If a participating institution receives from NAMA or a NAMA group entity an amount in exchange for acquired bank assets that is more than is due to the participating institution under this Act, or receives any other amount from NAMA or a NAMA group entity to which it is not entitled, the institution shall repay to NAMA—

- (a) in the case of overpayment of an amount due for the acquisition of bank assets, an amount equal to the overpayment and any accrued interest on it within the period that NAMA determines, or
- (b) in any other case, an amount equal to the overpayment and any accrued interest on it within the period that NAMA determines.

(2) A certificate issued by NAMA under its seal as to the amount of an overpayment referred to in *subsection (1)* is admissible as evidence of the amount of that overpayment.

Dealings with bank assets after service of acquisition schedule until date of acquisition.

94.—After the service of an acquisition schedule on a participating institution, until the date of acquisition for each bank asset specified in the acquisition schedule, the participating institution—

- (a) shall continue to hold and manage each bank asset concerned in accordance with *section 71*,
- (b) shall not make nor permit the making of any change to the bank asset concerned without NAMA's written consent, and
- (c) shall notify NAMA in writing of any change in the bank asset concerned of which the participating institution is aware.

Books, records and title documents of participating institutions.

95.—(1) Where NAMA has acquired a bank asset, NAMA may direct the participating institution from which the bank asset was acquired—

- (a) to deliver to NAMA all its books and records in relation to the bank asset concerned and any documents of title that it holds for any property that is subject to a security that is part of the bank asset, and
- (b) to provide any information or explanation that NAMA requires in relation to those books, records and documents.

(2) A participating institution shall comply with a direction under *subsection (1)*.

(3) Where NAMA directs a participating institution under *subsection (1)* to deliver to NAMA books, records or documents in relation to a bank asset, the participating institution shall also secure that any officer, employee or agent of the participating institution who is able to do so provides an explanation of any such book, record or document, including an explanation of any apparent omission from such a book, record or document.

(4) If a participating institution is subject to a direction under *subsection (1)* and does not comply with the direction, NAMA may apply to the Court, on notice to the participating institution, for an order directing the institution to comply with the direction.

(5) The Court may make an order (including a mandatory or interlocutory order) under *subsection (4)* if the Court is satisfied that the production of the book, record, document or explanation, the provision of the facilities sought is reasonably necessary to enable NAMA to perform any of its functions under this Act.

(6) Where NAMA so directs, a participating institution shall retain custody, on behalf of NAMA, of any book, record, document or document of title referred to in this section subject to the giving of an accountable trust receipt or on other terms that NAMA directs.

96.—(1) Within 60 days after the acquisition of a bank asset from a participating institution, the participating institution shall make reasonable efforts to notify each debtor, associated debtor, guarantor or surety in relation to the credit facility concerned of the acquisition of the bank asset by NAMA or the relevant NAMA group entity.

Notice to debtors, etc., of acquisition of bank assets.

(2) Where there has been failure or delay in notifying a person in accordance with *subsection (1)*—

- (a) neither NAMA nor the relevant NAMA group entity is liable for any such failure or delay,
- (b) the acquisition is valid notwithstanding any such failure or delay, and
- (c) no objection may be raised by any debtor, associated debtor, guarantor or surety to NAMA's or the relevant NAMA group entity's acquisition of the bank asset concerned based on any such failure or delay.

97.—(1) When NAMA has served on a participating institution one or more acquisition schedules that specify all the bank assets that NAMA has acquired or at the time proposes to acquire from the participating institution, NAMA shall serve on the participating institution a notice in writing of that fact (in this Act referred to as a "completion notice").

NAMA to notify participating institutions of completion of acquisition process.

(2) A completion notice shall specify—

- (a) all the bank assets (being bank assets that are eligible bank assets at the time of service of the completion notice) that NAMA has acquired or proposes to acquire from the participating institution concerned,

[No. 34.] *National Asset Management Agency* [2009.]
Act 2009.

(b) the acquisition value determined by NAMA for each such bank asset, and

(c) the total value for those assets.

(3) NAMA shall not serve any further acquisition schedules on a participating institution after service of a completion notice on the institution unless the Minister prescribes further classes of eligible bank assets.

Dispute over acquisition value.

98.—(1) If a participating institution wishes to dispute an acquisition value, it shall do so solely in accordance with this section and *sections 121 and 122*.

(2) A participating institution may apply to NAMA in writing for the correction of an obvious error in relation to the value of a bank asset in an acquisition schedule. An application under this subsection is not an objection or dispute for the purposes of *sections 121 and 122*.

CHAPTER 2

Effects of Acquisition of Bank Assets

NAMA to have rights of creditors after acquisition of bank assets.

99.—(1) After NAMA or a NAMA group entity acquires a bank asset, and subject to *section 101* and any exclusion of obligations and liabilities from the acquisition set out in the acquisition schedule—

(a) NAMA and the NAMA group entity each have and may exercise all the rights and powers, and subject to this Act is bound by all of the obligations, of the participating institution from which the bank asset was acquired in relation to—

(i) the bank asset,

(ii) the debtor concerned and any guarantor, surety or other person concerned,

(iii) any receiver, liquidator, or examiner concerned, and

(iv) the Official Assignee in Bankruptcy,

and

(b) the participating institution ceases to have those rights and obligations except to any extent to which this Act provides otherwise.

(2) The reference in *subsection (1)* to the rights, powers or obligations of a participating institution in relation to a bank asset is a reference to the rights, powers or obligations, as the case may be—

(a) derived from the bank asset, and

(b) arising under any law or in equity or by way of contract.

(3) In particular, NAMA and the NAMA group entity may each—

- (a) take any action, including court action, that the participating institution could have taken to protect, perfect or enforce any security, right, interest, obligation or liability,
- (b) realise any security that the participating institution could have realised,
- (c) call up any guarantee that the participating institution could have called up,
- (d) participate to the same extent as the participating institution could have participated in any resolution, workout, restructuring, arrangement, reorganisation, scheme or insolvency proceeding in relation to the bank asset, and
- (e) exercise any powers conferred by any document that forms part of the bank asset of reviewing or amending any term or condition of any part of the bank asset.

100.—(1) If a participating institution has a right to set off a claim owing by it to a debtor against a claim owing by the debtor to it in relation to a bank asset, and NAMA or a NAMA group entity acquires the bank asset, the right is taken to continue in existence as between the participating institution and the debtor as if the bank asset had not been acquired and—

Exercise of certain rights of set-off.

- (a) the participating institution shall inform NAMA in writing of the existence of the right,
 - (b) if NAMA so directs—
 - (i) the claims shall be set off as if they were mutual claims when and to the extent that the right of set-off would have become exercisable or would have arisen if there had been no acquisition, and
 - (ii) the claims shall be taken to have been discharged to the extent of that set-off,
- and
- (c) if the claims are so discharged, the participating institution shall, as soon as may be, pay an amount equal to the amount of the set-off to NAMA or the NAMA group entity concerned.

(2) If a debtor exercises, or is taken to have exercised, a set-off of a claim made by a participating institution against an acquired bank asset, the participating institution shall, as soon as may be, pay an amount equal to the amount of the set-off to NAMA or to the NAMA group entity concerned.

(3) In this section—

- (a) a reference to a right of set-off includes a right of combination of accounts and any similar right, and
- (b) a reference to a claim includes a direct or contingent obligation.

(4) Upon and following the acquisition of a bank asset from a participating institution by NAMA or a NAMA group entity, for the

purposes only of the set-off pursuant to *subsection (1)* the claims shall be taken to be mutual for the purposes of paragraph 17(1) of the First Schedule to the Bankruptcy Act 1988.

Enforcement of
certain
representations, etc.

101.—(1) If in relation to a bank asset that NAMA or a NAMA group entity has acquired—

- (a) it is alleged that a representation was made to, a consent was given to, an undertaking was given to, or any other obligation was undertaken (by agreement or otherwise) in favour of, the debtor or another person by the participating institution from which the bank asset was acquired or by some person acting or claiming to act on its behalf,
- (b) no such representation, consent, undertaking or obligation was disclosed to NAMA in writing, before the service on the participating institution of the relevant acquisition schedule,
- (c) the records of the participating institution do not contain a note or memorandum in writing of the terms of any such representation, consent, undertaking or obligation or do not contain a record of any consideration paid in relation to any such representation, undertaking or obligation, and
- (d) the representation, consent, undertaking or obligation, if made, given or undertaken, would affect the creditor's rights in relation to the bank asset,

then that representation, consent, undertaking or obligation—

- (i) is not enforceable, and cannot be relied on, by the debtor or any other person against NAMA or the NAMA group entity,
- (ii) is enforceable, and can be relied on, by the debtor or any other person, if at all, only against a person other than NAMA or a NAMA group entity, and
- (iii) is not enforceable, and cannot be relied on, by NAMA or the NAMA group entity against the debtor.

(2) A claim based on a representation, consent, undertaking or obligation referred to in *subsection (1)* gives rise only to a remedy in damages or other relief that does not in any way affect the bank asset, its acquisition, or the interest of NAMA or the NAMA group entity or (for the avoidance of doubt) any property the subject of any security that is part of such a bank asset.

(3) The Court shall not make an order under *section 182* in relation to a claim to enforce a representation, undertaking or obligation referred to in *subsection (1)*.

Acquisition of bank
assets not to affect
conditions, etc.

102.—(1) Subject to the provisions of this Act, after a bank asset is acquired by NAMA or a NAMA group entity, the terms and conditions of the bank asset are unchanged.

(2) Where the documentation for a credit facility forming part of a bank asset that has been acquired by NAMA or a NAMA group

entity refers to a reference rate of interest that is set by the participating institution concerned but is no longer available, the documentation shall continue to be construed as though it referred to—

- (a) that participating institution's reference rate for credit facilities of that type, or
- (b) at NAMA's discretion, another reference rate specified by NAMA.

(3) Where by reason of the acquisition by NAMA or a NAMA group entity of a bank asset, compliance with, or the operation of, a term or condition of the bank asset is no longer, in the opinion of NAMA, reasonably practicable, NAMA may, by notice in writing, change that term or condition. The new term or condition shall be as nearly as possible equivalent to the original term or condition.

(4) For the avoidance of doubt, the acquisition by NAMA or a NAMA group entity of a bank asset under this Act does not affect any relief or remedy to which the participating institution would otherwise be entitled.

103.—No cause of action lies or is maintainable against NAMA or any NAMA group entity by reason solely of the acquisition of a bank asset by NAMA or a NAMA group entity.

Acquisition of bank assets not to give rise to cause of action, etc.

104.—If within one year after NAMA or a NAMA group entity acquires a bank asset, the participating institution from which the bank asset was acquired is notified or becomes aware of any significant dealing, event or circumstance or significant proposed or potential dealing, event or circumstance in relation to the bank asset that would adversely affect the bank asset or the rights (including priority), obligations or liabilities of NAMA or the NAMA group entity in relation to it, the participating institution shall notify NAMA of the dealing, event or circumstance without delay.

NAMA to be notified of certain matters.

105.—(1) Nothing in this Act renders NAMA or a NAMA group entity liable for any breach of contract, misrepresentation, breach of duty, breach of trust or other legal or equitable wrong committed by a participating institution.

Acquisition of bank assets not to render NAMA liable for wrongs by participating institutions.

(2) No legal proceedings shall be brought against NAMA or a NAMA group entity in relation to any legal or equitable wrong referred to in *subsection (1)*.

(3) Nothing in this Act deprives any person of a remedy in damages against a participating institution in relation to a legal or equitable wrong referred to in *subsection (1)*.

106.—Nothing in this Act relieves NAMA or a NAMA group entity of any obligation, at law or in equity, except to any extent to which this Act specifically provides otherwise.

Rights of others not affected by acquisition of bank assets, etc.

107.—(1) Where a bank asset has been acquired by NAMA or a NAMA group entity—

NAMA not required to register certain instruments, etc.

- (a) notwithstanding anything in any Act listed in *subsection (2)* or any other Act that provides for the registration of

[No. 34.] *National Asset Management Agency* [2009.]
Act 2009.

assets, security or details of them, NAMA or the NAMA group entity is not required to become registered as owner of any security that is part of the bank asset,

- (b) notwithstanding sections 62 and 64 of the Registration of Title Act 1964, NAMA or the NAMA group entity has, in relation to any such charge, the powers of a mortgagee under a mortgage by deed, even though NAMA or the NAMA group entity is not registered as owner of any such charge,
 - (c) NAMA or the NAMA group entity has the powers and rights conferred on the registered owner of a charge by the Registration of Title Act 1964.
- (2) The Acts referred to *subsection (1)(a)* are the following:
- (a) the Bills of Sale (Ireland) Acts 1879 and 1883;

- (4) For the purposes of an Act referred to in *subsection (1)(a)*, the registration in relation to an acquired bank asset of a participating institution has effect for all purposes as a registration of NAMA or the NAMA group entity concerned.
- (5) Nothing in this section prevents NAMA or a NAMA group entity from registering any interest capable of registration.
- (6) Nothing in this section has the effect of relieving NAMA or a NAMA group entity from any obligation under a relevant foreign law.
- (7) Sections 23 and 25 of the Registration of Title Act 1964 do not apply to NAMA or a NAMA group entity.
- (8) Where a NAMA group entity acquires a bank asset from NAMA or another NAMA group entity, the provisions of this section also apply to the first-mentioned NAMA group entity.

NAMA, etc., may give certificates in relation to bank assets held.

108.—(1) NAMA or a NAMA group entity may certify under its seal or common seal, as the case requires, that NAMA or the NAMA group entity holds a bank asset specified in the certificate.

(2) A document purporting to be a certificate issued in accordance with *subsection (1)*—

- (a) shall be taken to be such a certificate, and to have been certified under the seal of NAMA or the NAMA group entity, as the case may be, unless the contrary is proved, and
- (b) is conclusive as to the matters set out in it.

109.—(1) This section applies, without prejudice to any other provision of this Act or any right arising at law, to a bank asset that NAMA or a NAMA group entity has acquired, the terms and conditions of which entitle the participating institution from which NAMA or the NAMA group entity acquired it to give directions to a third party that holds an interest in the bank asset on behalf of others.

NAMA, etc., may give certain directions in relation to bank assets.

(2) In relation to a bank asset to which or in relation to which this section applies—

- (a) NAMA or a NAMA group entity may give directions to the third party concerned to realise any security, enforce any guarantee or surety or do any other act or thing in relation to the bank asset, or
- (b) if the third party is not incorporated in the State, but is a subsidiary of an entity that is incorporated in the State, NAMA or a NAMA group entity may direct the entity concerned to secure compliance by the subsidiary with a direction to do any of the things mentioned in *paragraph (a)*.

(3) Where a direction is given under *subsection (2)(a)*, then the third party shall be under an equivalent obligation to comply with the direction as if the direction had been given by the participating institution from which the bank asset concerned was acquired.

(4) Where a direction is given under *subsection (2)(b)*, then the entity shall be under an obligation to secure the compliance of the subsidiary but only to the extent that the subsidiary would be bound to comply with a direction given under *paragraph (a) of subsection (2)* if the subsidiary were incorporated in the State.

110.—(1) In this section “relevant instrument” means an agreement, licence, document, security, obligation or other instrument (other than the Credit Institutions (Financial Support) Scheme 2008 (S.I. No. 411 of 2008)) (or an instrument entered into under that Scheme) to which any of the following is a party or by which any of the following is bound or in which any of the following has an interest:

- (f) any other thing done or authorised to be done under, pursuant to or resulting from any provision of this Act,

113.—(1) The Minister may make regulations providing for the procedures of the expert reviewer. Procedure of expert reviewer.

(2) For the purposes of the expert reviewer's review of NAMA's decision to acquire a bank asset, NAMA shall make available to the expert reviewer and the participating institution concerned, no later than 7 days after NAMA refers the objection to the expert reviewer under *section 85(3)(b)*, all the material that was before NAMA when it made its decision and any comments it may wish to make on the objection.

(3) NAMA and the participating institution shall each be allowed an opportunity to respond to the other's material and comments, and shall furnish any such responses to the expert reviewer and to the participating institution or NAMA, as the case may be, no later than 4 days after that material and those comments have been made available.

(4) The expert reviewer may request NAMA or a participating institution to provide additional information in relation to a bank asset that NAMA proposes to acquire. NAMA or a participating institution shall comply with any such request without delay.

116.—(1) In forming his or her opinion, the expert reviewer shall take into account the material, comments, responses and any additional information provided by the participating institution and NAMA under *section 115*.

(2) The expert reviewer shall advise the Minister, no later than 5 days after receiving the material, comments, responses and information under *section 115*, whether he or she is of the opinion that the bank asset is or is not an eligible bank asset.

(3) The Minister may, if he or she considers that to do so is warranted by exceptional circumstances, specify a longer period within which the expert reviewer is to provide advice under *subsection (2)*.

(2) If a participating institution withdraws an application for the review under this Chapter, it is liable for the costs incurred up to the time of the withdrawal unless NAMA agrees otherwise.

(3) If NAMA and the participating institution concerned cannot reach agreement on costs, the costs of the review shall be determined by a Taxing Master of the Court. For that purpose, the Taxing Master has all the functions for the time being conferred on him or her under any enactment or in any rules of court (with any necessary modifications) in relation to the taxation of costs to be paid by one party to another in proceedings before the Court.

(4) The Taxing Master may direct that the costs of all reviews under this Chapter in relation to a participating institution shall be dealt with together after the service on the participating institution of a completion notice.

121.—(1) If, after the service on a participating institution of an acquisition schedule, a participating institution objects to the acquisition value specified in that schedule in relation to a bank asset, the participating institution shall serve on NAMA a notice in writing of its objection invoking the provisions of this Chapter within 14 days after the service on it of the acquisition schedule.

- (a) it is of the opinion that the aggregate market value of the acquired portfolio exceeds the total portfolio acquisition value, and
- (b) it has served a notice or notices under *section 121* in relation to acquired bank assets comprising at least 12.5 per cent by value of the total portfolio acquisition value.

(2) A participating institution that wishes to dispute the total portfolio acquisition value shall serve on NAMA a notice in writing, in the form (if any) that the Minister prescribes by regulation, no later than 14 days after the service of the relevant completion notice, specifying the reasons for its opinion.

(3) If a participating institution serves notice under *subsection (2)*, NAMA shall refer the dispute to the valuation panel for review.

(4) The service of notice by a participating institution under *subsection (2)* does not affect the acquisition by NAMA of the bank assets concerned.

123.—(1) A participating institution that has served a notice under *section 122(2)* shall provide to the valuation panel and to NAMA, no later than 28 days after service of the relevant completion notice, all the material on which its dispute is based and any comments it wishes to make regarding the disputed total portfolio acquisition value.

Material, etc., to be made available to valuation panel.

(2) For the purposes of the valuation panel's review, NAMA shall make available to the valuation panel and the participating institution concerned, no later than 28 days after service on it of the relevant notice under *section 122(2)*, the information on which NAMA based its determination of the market value of bank assets in the acquired portfolio concerned and any comments it wishes to make on the dispute.

(3) NAMA and the participating institution shall each be allowed an opportunity to respond to the other's material and comments, and shall furnish any such responses, no later than 7 days after that material and those comments have been made available, to the valuation panel and to the participating institution or NAMA, as the case may be.

(4) The valuation panel may request NAMA or a participating institution to provide additional information in relation to the total portfolio acquisition value of the acquired portfolio concerned. NAMA or a participating institution shall comply with any such request without delay.

(5) The valuation panel shall take into account the material, comments, responses and any relevant additional information provided by the participating institution and NAMA.

124.—(1) The function of the valuation panel is to review whether the aggregate market value of an acquired portfolio is correct. In carrying out that review, the test to be applied by the valuation panel is whether the participating institution concerned has established, as a matter of probability, and taking into account the degree of expertise and specialist knowledge possessed by NAMA, and taking the process as a whole, that the determination of the aggregate market value was vitiated by a serious and significant error or a series of such errors.

Review by valuation panel.

(2) For the avoidance of doubt, for the purposes of a review under *subsection (1)*, the market value of an acquired bank asset is its market value as at the date or event specified by NAMA under *section 73*.

(3) The valuation panel shall advise the Minister of its determination, including of the aggregate market value, and the reasons for it.

(4) The panel shall give its advice to the Minister in relation to a dispute under *section 122* no later than 90 days after receiving the material, comments, responses and any additional information under *section 123*, or a longer period specified by the Minister by notice in writing, if he or she considers that to do so is warranted by exceptional circumstances.

Minister's
determination.

125.—(1) The Minister shall consider the advice of the valuation panel under *section 124* in relation to the acquired portfolio concerned and shall, no later than 28 days after receipt of that advice—

- (a) confirm the aggregate market value of the acquired portfolio as advised by the valuation panel, or
- (b) if the valuation panel's determination of the aggregate market value is greater than the total portfolio acquisition value and he or she considers that the advice of the valuation panel is wrong in a material respect, remit the matter to the valuation panel for reconsideration setting out his or her reasons for doing so.

(2) Where the Minister remits the matter to the valuation panel under *subsection (1)(b)*, *subsections (4) and (5) of section 123* and *section 124* apply to the reconsideration with any necessary modifications.

(3) The Minister shall send copies of his or her determination under *subsection (1)* to NAMA and to the participating institution concerned.

(4) Where the Minister confirms that the aggregate market value of the acquired portfolio is greater than the total portfolio acquisition value as determined by NAMA, the Minister shall direct NAMA to compensate the participating institution by, at NAMA's option, doing either of the following (or both in any combination)—

- (a) returning to the participating institution bank assets equal in value to the difference between the total portfolio acquisition value determined by NAMA and the aggregate market value determined by the Minister, or
- (b) giving further consideration to the participating institution (in the form of cash, securities or Government-guaranteed securities or in any other form that NAMA considers appropriate) equal to the difference referred to in *paragraph (a)*.

(5) The amount of compensation payable to a participating institution under *subsection (4)* is to be no greater than the amount by which the total portfolio acquisition value determined by NAMA is less than the aggregate market value of the portfolio as confirmed by the Minister.

(6) The value of a bank asset to be returned under *subsection (4)(a)* is its acquisition value.

(7) The payment for, or transfer of, bank assets under *subsections (4) to (6)* is subject to the laws of the European Communities governing State aid.

Withdrawal of
dispute.

126.—A participating institution may withdraw a notice served under *section 122* at any time before the Minister sends a copy of his or her determination to it under *section 125* in relation to the review of the total portfolio acquisition value of the acquired portfolio concerned.

127.—(1) The costs of a review under this Chapter are payable by the participating institution concerned unless the Minister’s determination under *section 125* entitles the participating institution to compensation under that section. Costs of review of valuations.

(2) If a participating institution withdraws a notice under *section 126*, it is liable for the costs incurred up to the time of the withdrawal unless NAMA agrees otherwise.

(3) If NAMA and the participating institution concerned cannot reach agreement on costs, the costs of the review shall be determined by a Taxing Master of the Court. For that purpose, the Taxing Master has all the functions for the time being conferred on him or her under any enactment or in any rules of court (with any necessary modifications) in relation to the taxation of costs to be paid by one party to another in proceedings before the Court.

PART 8

- (b) the performance by the Minister of his or her functions, or NAMA of its functions, under this Act, or
- (c) the fulfilment by the participating institution of its obligations under this Act.

(3) If a participating institution identifies such an impediment the participating institution shall take all reasonable steps to address the impediment in a manner that best furthers the achievement of the purposes of the Act.

(8) NAMA may give a debtor, associated debtor, guarantor or surety in relation to a bank asset in which NAMA or a NAMA group entity has acquired an interest, or any other person, notice of any direction given pursuant to this section. However, NAMA and the NAMA group entity are not liable to any debtor, associated debtor,

guarantor or surety or any other person for failure to give such a notice.

(9) Any receivable or other amount received or recovered by a participating institution pursuant to the performance by it of a relevant service shall be held by that participating institution on trust absolutely for and to the order of NAMA or a NAMA group entity, as the case may be, and any amount so held shall be accounted for to NAMA or the NAMA group entity as NAMA from time to time directs. A trust constituted by this subsection—

- (b) is effective for all purposes, and
- (c) shall not be taken to constitute or create a security.

132.—(1) Where in relation to an acquired bank asset NAMA or a NAMA group entity has arranged with a service provider other than the participating institution from which the bank asset was acquired for the provision of relevant services in respect of an acquired bank asset, then—

Other servicing arrangements.

133.—(1) Where NAMA or a NAMA group entity has acquired a bank asset from a participating institution NAMA may, for the furtherance of the achievement of its purposes under this Act, direct the participating institution to deal in a specified way with any part of the bank asset not acquired, being a way in which the participating institution may lawfully deal, or has the authority to deal, with the bank asset or part.

NAMA may give directions about certain bank assets not acquired.

(2) A participating institution shall comply with a direction by NAMA under *subsection (1)*.

Additional payment on servicing of acquired bank assets.

134.—(1) With the consent of the Minister, NAMA or a NAMA group entity may agree with a participating institution on an arrangement in relation to the servicing of acquired bank assets.

- (a) an adjustment to the total portfolio acquisition value,
- (b) performance fees, and the reimbursement of costs and expenses, on terms approved by the Minister, or
- (c) any combination of the things mentioned in *paragraphs (a) and (b)*.

Participating institutions to indemnify NAMA.

135.—(1) If NAMA so directs, a participating institution shall indemnify NAMA or a NAMA group entity and each of their officers against any liability or loss (however arising, and regardless of any default on the part of NAMA or a NAMA group entity)—

- (a) arising from any error, omission or misstatement in any information, explanation, instrument, document, record, book or certificate provided to NAMA or the NAMA group entity by or on behalf of the participating institution,
- (b) in respect of any claim, award, payment or damages which NAMA or the NAMA group entity becomes liable to pay to any person by reason of the operation of the European Communities (Protection of Employees on Transfer of Undertakings) Regulations 2003 (S.I. No. 131 of 2003) where the liability arises in connection with a cause of action accruing before the relevant acquisition date (or any proportion of the liability or loss is attributable to a period before the relevant acquisition date) including any claim made by or on behalf of such a person that relates to an act or omission of the participating institution in connection with that person's employment before the acquisition date, and
- (c) in respect of any redundancy payment, or any other severance payment, paid by NAMA or the NAMA group entity, or that NAMA or the NAMA group entity is ordered to pay, to any person whose employment transfers to NAMA or the NAMA group entity by reason of the operation of those Regulations and whose employment is terminated by NAMA or the NAMA group entity by reason of redundancy.

(2) Where the Court determines ownership of a bank asset in favour of a third party and as a result NAMA or a NAMA group entity is obliged to transfer the bank asset to the third party or pay damages in lieu, the participating institution shall indemnify NAMA or the NAMA group entity against that liability and all losses suffered by it.

(3) The Court and any other court or tribunal in which legal proceedings are brought in respect of a matter referred to in *subsection (1)* shall not make NAMA or a NAMA group entity a party to the proceedings in any capacity where the liability is that of the participating institution.

(4) If NAMA or a NAMA group entity so directs, and without prejudice to *section 105*, a participating institution shall indemnify NAMA or the NAMA group entity and its officers against any liability or loss in respect of a legal or equitable wrong referred to in that section.

- (a) the participating institution,
- (b) any subsidiary of the participating institution, and
- (c) any entity of which the participating institution is a subsidiary.

PART 9

POWERS OF NAMA IN RELATION TO ASSETS

CHAPTER 1

Definitions

137.—In this Part—

Definitions (*Part 9*).

“charged land” means land that is subject to a charge that is part of an acquired bank asset;

“convey” and “conveyance” have the same meanings respectively as in the Land and Conveyancing Law Reform Act 2009, and “conveyed” shall be construed accordingly;

“vesting order” means an order under *section 153*.

CHAPTER 2

General Powers of NAMA in Relation to Assets

138.—For the purposes of this Chapter, a reference in this Chapter to NAMA shall be construed, in relation to a bank asset that has been acquired by a NAMA group entity, as a reference to either NAMA or the NAMA group entity unless the contrary intention appears.

Interpretation (*Chapter 2*).

139.—NAMA may validly transfer, assign, convey, sell on or otherwise dispose of an acquired bank asset to any person notwithstanding—

NAMA’s powers to dispose of bank assets.

- (a) any restrictions on such a disposal at law or in equity,

[No. 34.] *National Asset Management Agency* [2009.]
Act 2009.

- (b) any contractual requirement, or any requirement under any enactment, for the consent of, for notice to, or for a document from, any person to such a disposal, or
- (c) any provision of any enactment that would otherwise prohibit or restrict such a disposal.

Power to discharge prior charge.

140.—Where an acquired bank asset is secured by a charge (including a charge that is a collateral security), but the charge is a second or subsequent charge, NAMA may redeem or discharge any one (or more) of the prior charges in accordance with its terms.

Power of entry to protect value or condition of land or buildings.

141.—(1) Where an acquired bank asset is secured by a charge over land (including a charge that is a collateral security), and any one or more of the following paragraphs applies:

- (a) the land or any building or structure on it has been abandoned;
- (b) the land is or has become overgrown;
- (c) the land or any building or structure on it is or has become infested with vermin;
- (d) any building or structure on the land has fallen, or there is a serious risk of the building or structure falling, into disrepair;
- (e) the land or any building or structure on it is at risk from trespassers or vandalism;

then NAMA may apply to a judge of the District Court for the time being assigned to the District Court district in which any part of the land concerned is situated, on notice to the owner and any occupier of the land, for an order (in this section referred to as an “entry and maintenance order”) authorising it to enter (by force, if the order so provides) upon the land or any building or structure on it for any one or more of the following purposes:

- (i) to fence or otherwise secure the boundary of the land;
- (ii) to clear the land of overgrown vegetation;
- (iii) to clear or treat the land or any building or structure on it in a manner designed to remove vermin;
- (iv) to repair or make secure any building or structure on the land.

(2) NAMA shall serve a copy of an application under *subsection (1)* on every person it knows to have an interest in the relevant land.

(3) The District Court may make an order in accordance with an application under *subsection (1)* and if it does so shall specify the period, being not greater than 6 months beginning on the date of the order, for which the order shall have effect.

(4) NAMA shall give each owner and, where the relevant land is occupied, each occupier of the relevant land at least 24 hours’ notice of its intention to enter on the land or any building or structure on it under the authority of an entry and maintenance order.

(5) An entry and maintenance order does not authorise forcible entry on the land, building or structure concerned unless the order expressly so provides.

(6) If NAMA enters on land or a building or structure under the authority of an entry and maintenance order, NAMA shall not be taken to be a mortgagee in possession of the land or any building or structure on it.

(7) Any cost, expense or liability that NAMA incurs pursuant to this section—

- (a) is a debt due under the bank asset concerned, and
- (b) is recoverable from the debtor, associated debtor, guarantor or surety concerned,

and the repayment of any such cost, expense or liability stands secured against the land.

142.—(1) In relation to any land in which NAMA has an interest, whether legal or beneficial, an instrument under seal of NAMA or the common seal of the NAMA group entity concerned that is expressed to convey that interest or any part of that interest in the land concerned to another person shall be taken for all purposes to be a deed of conveyance of the land executed under seal by the owner of the interest in the land concerned.

Certain instruments by NAMA to be taken to be deeds.

(2) An instrument referred to in *subsection (1)* extinguishes the interest of any other chargee or mortgagee in the land concerned other than a charge that has priority to the interest of NAMA concerned and has not been redeemed or discharged under *section 140*.

(3) Where the interest of a chargee or mortgagee in land is extinguished by the operation of this section the interest attaches to the proceeds of the sale concerned.

(4) Where the interests of more than one chargee or mortgagee are extinguished by the operation of this section the interests so extinguished attach to the proceeds of the sale concerned in the same order of priority as those interests had before the extinguishment.

143.—(1) Subject to *subsection (2)*, a conveyance by NAMA (including a conveyance by way of an instrument referred to in *section 142*) to a purchaser of a legal estate or legal interest in land overreaches any equitable interest in the land so that the equitable interest ceases to affect that estate or interest, whether or not the purchaser has notice of the equitable interest.

Overreaching for protection of purchasers.

(2) *Subsection (1)* does not apply to an equitable interest—

- (a) to which the conveyance is expressly made subject,
- (b) that arises by virtue of an equitable mortgage related to the land concerned,
- (c) that, before the conveyance, is registered against the land in the Registry of Deeds or the Land Registry, or
- (d) that—

[No. 34.] *National Asset Management Agency* [2009.]
Act 2009.

- (i) in the case of an interest in registered land, is a burden of a kind referred to in section 72(1)(j) of the Registration of Title Act 1964, or
- (ii) in the case of an interest in unregistered land, would take effect as such a burden if the land were registered land.

(3) Where an equitable interest is overreached under this section it attaches to the proceeds arising from the conveyance, and effect shall be given to it accordingly.

(4) NAMA shall discharge any obligations under *subsection (3)* as soon as is practicable.

(5) For the avoidance of doubt, overreaching in accordance with *subsections (1) and (2)* has effect in relation to land that is or includes a person's principal private residence.

(6) In this section "equitable mortgage" means a mortgage created by—

- (a) the deposit of documents of title relating to the legal estate or legal interest in the land concerned, or
- (b) an undertaking by a solicitor to hold the documents of title relating to the legal estate or legal interest in the land concerned in trust for a credit institution and which undertaking, where applicable, has been registered as a charge under section 99 or 111 of the Companies Act 1963.

Effect of certain assurances of land.

144.—An assurance of charged land or a right or interest in charged land before the acquisition by, or vesting in, NAMA of the relevant charge (whether or not the land was charged at the date of the assurance) shall be taken to have created, for the benefit of the charged land, any easement or *profit à prendre* over any land retained by the grantor of the assurance that it is reasonable to assume, in the circumstances of the case, was within the contemplation of the parties at the date of the assurance as being included in it, or would have been within that contemplation at that time if they had adverted to the matter.

Certain receivers not obliged to sell property, etc.

145.—(1) A receiver of the rents and profits of property appointed by NAMA pursuant to its powers as a chargee of the property is not obliged to sell the property at any particular time or at all, but is accountable for all profits and other monetary benefits arising directly from possession of the property.

(2) A receiver appointed to the property of a company by NAMA in its capacity as a creditor of the company is not obliged to sell any property of the company at any particular time or at all, but is accountable for all profits and other monetary benefits arising directly from possession of the property of the company.

Powers of NAMA to enforce securities, etc.

146.—The enforcement of a security by NAMA is not subject to the restrictions in the Conveyancing Act 1881 or the Land and Conveyancing Law Reform Act 2009.

CHAPTER 3

Statutory Receivers

147.—(1) Where any of the following occurs under the terms of an acquired bank asset: NAMA's power to appoint statutory receivers.

- (a) a power of sale becomes exercisable;
- (b) a power to appoint a receiver becomes exercisable;

then NAMA may appoint any person, including an officer of NAMA, as a statutory receiver of the property the subject of the bank asset.

(2) NAMA may remove a statutory receiver and may appoint a new statutory receiver in the place of a statutory receiver removed.

(3) The appointment of a statutory receiver is not subject to the restrictions in the Conveyancing Act 1881 or the Land and Conveyancing Law Reform Act 2009 on the appointment of a receiver.

(4) NAMA may fix the remuneration of a statutory receiver. A maximum rate imposed by law (including that specified in section 24(6) of the Conveyancing Act 1881 or prescribed by regulations under section 108(7) of the Land and Conveyancing Law Reform Act 2009) does not apply.

(5) NAMA's power to appoint a statutory receiver under this Chapter does not affect any powers to appoint a receiver pursuant to any contractual power in any bank asset acquired by NAMA.

(6) The powers of NAMA under this section are exercisable by NAMA (and only by NAMA) in relation to a bank asset held by a NAMA group entity.

148.—(1) A statutory receiver has the powers, rights and obligations that a receiver has under the Companies Acts, and the powers, rights and obligations specified in *Schedule 1*. Powers of statutory receivers.

(2) In *Schedule 1* a reference to a secured asset is, in relation to a particular statutory receiver, a reference to land or property that is subject to a charge or other security that is included in the bank asset pursuant to which the statutory receiver was appointed.

(3) Where a charge provides for a receiver appointed under it to have any power in addition to those referred to in *subsection (1)*, a statutory receiver appointed in relation to the property subject to the charge also has that additional power. However, a statutory receiver exercising any such additional power is taken to do so by virtue of his or her appointment under this Chapter and is not bound by any restriction on its exercise specified in the charge.

(4) A statutory receiver is not subject to the restrictions on the powers of a receiver in the Conveyancing Act 1881 or the Land and Conveyancing Law Reform Act 2009.

(5) The enforcement of a security by a statutory receiver is not subject to the restrictions in the Conveyancing Act 1881 or the Land and Conveyancing Law Reform Act 2009.

[No. 34.] *National Asset Management Agency* [2009.]
Act 2009.

(6) Section 100(2) of the Land and Conveyancing Law Reform Act 2009 does not apply to the exercise of a power of sale by NAMA or a statutory receiver.

(7) A statutory receiver, in selling property the subject of a charge in favour of NAMA, shall exercise all reasonable care to obtain the best price reasonably obtainable for the property at the time of sale.

(8) If joint statutory receivers are appointed, each one severally may exercise any power or carry out any function of a statutory receiver.

Statutory receiver
to be agent of
chargor, etc.

149.—(1) A statutory receiver shall be taken to be the agent of the chargor for all purposes.

(2) The chargor is solely responsible for the remuneration, contracts, engagements, acts, omissions, defaults and losses of a statutory receiver and for liabilities incurred by a statutory receiver. NAMA does not incur any liability (either to the chargor or to any other person) by reason of the appointment of a statutory receiver or for the actions or inactions of a statutory receiver.

(3) A statutory receiver shall be taken to have been irrevocably appointed as an attorney of the chargor (with full powers of substitution and delegation) and to have the authority in the chargor's name, on the chargor's behalf and as the chargor's act and deed, to—

- (a) sign, seal, execute, deliver and perfect and do all deeds, instruments, acts and things that the chargor could do or ought to do pursuant to any bank asset that has been acquired by NAMA or a NAMA group entity,
- (b) generally in the chargor's name and on the chargor's behalf exercise all or any of the powers, authorities and discretions—
 - (i) conferred by any enactment, or the common law or pursuant to any agreement forming part of any acquired bank asset, or
 - (ii) that NAMA or the statutory receiver thinks fit for carrying into effect a sale, lease, charge, mortgage or dealing by NAMA, the relevant NAMA group entity concerned or the statutory receiver,

and

- (c) generally to use the chargor's name in the exercise of any power, authority or discretion conferred on a statutory receiver.

Appointment of
liquidator or
examiner to
companies whose
assets are under
control of statutory
receiver.

150.—(1) Notwithstanding any provision of the Companies (Amendment) Act 1990, the appointment of an examiner to a company whose assets or any part of them are under the control of a statutory receiver does not—

- (a) displace the statutory receiver or affect his or her powers, authority or agency,
- (b) prevent the statutory receiver from enforcing any security held by NAMA or a NAMA group entity, or

- (c) cause the de-crystallisation of any charge created as a floating charge over assets that are under the control of the statutory receiver.

(2) The appointment of a liquidator to a company whose assets or any part of them are under the control of a statutory receiver does not displace the statutory receiver and does not affect his or her powers, authority and agency.

151.—A statutory receiver is not obliged to sell a charged property at any particular time or at all, but is accountable for all profits and other monetary benefits arising directly from possession of the property. Statutory receiver not obliged to sell property, etc.

CHAPTER 4

Vesting Orders

152.—(1) NAMA may apply to the Court for a vesting order if— Application to Court.

- (a) an acquired bank asset includes a charge over land,
- (b) the chargee's power of sale has become exercisable, and
- (c) NAMA forms the view that it is unlikely that the sum secured by the charge can be recovered by a sale within 3 months after the application.

(2) An application under *subsection (1)* shall, where there is a charge secured over the land concerned that has priority to the charge referred to in *paragraph (a)* of that subsection, contain an undertaking by NAMA to discharge that charge in accordance with *section 154*.

(3) An application under *subsection (1)* shall be supported by an affidavit to which is exhibited evidence—

- (a) as to the price likely to be realised, within 3 months after the application, by a sale of the land concerned, and
- (b) of any other interests in the land, including any prior charge referred to in *subsection (2)*.

(4) NAMA shall serve notice of the application on—

- (a) the chargor concerned,
- (b) any chargee (whether prior or subsequent), and
- (c) any guarantor of the relevant credit facility.

(5) NAMA shall publish a notice of an application for a vesting order in at least one daily newspaper circulating generally in the State.

(6) The Court shall set down an application under *subsection (1)* for preliminary hearing, at which it shall give directions for the taking of accounts in relation to the credit facility concerned. At the preliminary hearing the Court may stay the proceedings if a subsequent chargee wishes to offer to redeem in full the charge held by NAMA or a NAMA group entity.

(7) At a preliminary hearing under *subsection (6)*, the Court may direct that notice of the application shall be given to any other person.

(8) The Court may, in any application under this Chapter where it seems to the Court appropriate to do so, direct that evidence be given on affidavit. The Court may deal with the application summarily on consideration of any affidavits presented to it.

Vesting orders.

153.—(1) If the Court is satisfied, after considering the accounts and other relevant matters, that—

- (a) it is unlikely that the sum secured by the charge would be recovered were the land to be sold within 3 months after the application, and
- (b) there is no reasonable prospect of the chargor redeeming the charge concerned,

the Court shall make an order (in this Part referred to as a “vesting order”) vesting in NAMA, or a NAMA group entity nominated by NAMA, the interest of the chargor, subject to any undertaking under *section 152(2)*, in the land concerned.

(2) If the Court makes a vesting order, the Court shall also—

- (a) determine the amount likely to be realised were the land to be sold within 3 months after the application, and
- (b) make an order for possession of the land concerned in favour of NAMA or the nominated NAMA group entity.

Prior chargee’s right to payment.

154.—(1) In this section “value” means the amount determined by the court under *section 153(2)(a)*.

(2) Where the Court makes a vesting order in relation to land that is subject to a charge that is either prior to, or ranks equally with, that held by NAMA or the NAMA group entity concerned, the Court shall also order NAMA or the NAMA group entity—

- (a) if there is only one such chargee, to pay to that chargee whichever is the lesser of the amount secured by its charge and the value, or
- (b) if there is more than one such chargee, to pay to each such chargee, in the order of their priority, whichever is the lesser of—
 - (i) the amount secured by its charge, and
 - (ii) the value or the remainder of the value, as the case requires.

Effect of vesting order.

155.—(1) Notwithstanding any other enactment or rule of law, a vesting order—

- (a) extinguishes the chargor’s equity of redemption in the land concerned,

- (b) vests title to the land in NAMA or the NAMA group entity nominated by NAMA for that purpose,
- (c) extinguishes the interest in the land of any other chargee, and
- (d) satisfies the requirements of the Land Registration Rules 1972 to 2008.

(2) The extinguishing of the interest of a chargee by *subsection (1)(c)* does not extinguish the debt secured by the charge concerned. However, a payment ordered to be made under *section 154(2)* shall be applied in reduction of the debt secured by the relevant charge.

(3) The debt or debts owed by the chargor to NAMA or the NAMA group entity shall be reduced by the extent, if any, to which the value (within the meaning given by *section 154*) of the charged land exceeds the amount paid under that section.

(4) NAMA shall cause a vesting order to be sent to the Property Registration Authority under the Registration of Title Act 1964 and the Registration of Deeds and Title Act 2006. The Property Registration Authority shall cause NAMA or the nominated NAMA group entity, as the case requires, to be registered as owner of the land in accordance with the order.

(5) For the avoidance of doubt, the making of a vesting order in relation to land does not impose on NAMA or any NAMA group entity any obligation to sell the land within any particular period or at all.

156.—(1) The title of a purchaser from NAMA or a NAMA group entity of land in relation to which NAMA has obtained a vesting order is not impeachable on the ground of any irregularity in the vesting order or any irregularity or impropriety in the obtaining of it.

Title of purchaser not impeachable.

(2) No purchaser from NAMA or a NAMA group entity, and no subsequent purchaser, of land referred to in *subsection (1)* is either required or entitled to raise any requisition or make any objection on title specific to the vesting order.

CHAPTER 5

Compulsory Acquisition of Land

157.—(1) In this Chapter—

Definitions
(Chapter 5).

“acquisition order” means an order under *section 163*;

“compulsory transfer order” means an order under *section 167*;

“initial notice” means a notice referred to in *section 160*.

(2) In this Chapter—

- (a) a reference to charged land includes land in relation to which a vesting order has been made, and
- (b) a reference to the nominated NAMA group entity in relation to land is a reference to the NAMA group entity

nominated by NAMA under *section 163(1)* in relation to the land.

NAMA's powers to acquire land compulsorily.

158.—(1) NAMA may compulsorily acquire land if in its opinion it is necessary to do so—

- (a) to enable NAMA to perform the functions referred to in *section 10(1)(b)* and (c),
- (b) to enable a building constructed on charged land to be used or enjoyed for the purpose for which it was developed, or
- (c) to enable NAMA or a NAMA group entity to vest in a prudent and experienced purchaser good and marketable title to charged land but only if the land sought to be acquired is only of material benefit to the owner in so far as it affects the use or development of charged land.

(2) In addition, NAMA may compulsorily acquire land where—

- (a) the land is owned by a person who is a debtor, associated debtor, guarantor or surety in relation to an acquired bank asset, and that person is in material default of his or her obligations to NAMA or a NAMA group entity and the default has caused, or is likely to cause, NAMA or the NAMA group entity substantial loss,
- (b) the land was intended to form part of a security in relation to a credit facility provided by a participating institution but was not included in the security through an error or omission, or
- (c) a debtor, associated debtor, guarantor or surety in relation to an acquired bank asset is using or intends to use his or her ownership of the land to materially impede the disposition, at a fair and reasonable price, of land by NAMA or a NAMA group entity.

(3) NAMA may compulsorily acquire land only if it has first made a reasonable attempt to acquire the land by agreement.

Application to Court for acquisition order.

159.—(1) If NAMA proposes to compulsorily acquire any land, NAMA shall apply to the Court for an order (in this Chapter called an “acquisition order”) authorising it to acquire the land.

(2) The application under *subsection (1)* shall be accompanied by the maps, plans and books of reference to be deposited in accordance with *section 161*.

Initial notice of acquisition.

160.—(1) NAMA shall publish a notice (in this Chapter called the “initial notice”), in the form (if any) prescribed by the Minister by regulations, of an application under *section 159* in a daily newspaper circulating in the State generally.

(2) NAMA shall serve a copy of an initial notice on every person who appears to NAMA to have an estate or interest in the land concerned, so far as it is reasonably practicable to ascertain those persons. However, failure to serve an initial notice on every such person does not invalidate the acquisition order concerned.

(3) An initial notice—

- (a) shall include a statement that persons claiming an estate or interest in the land concerned have the right to lodge with the Court, within 21 days after the publication of the notice, an objection to the making of an acquisition order in relation to the land, and
- (b) shall specify the times and places where the maps, plans and books of reference deposited in accordance with *section 161* can be inspected.

161.—(1) NAMA shall cause maps, plans and books of reference to be deposited in accordance with this section.

Maps, plans and books to be deposited.

(2) The maps and plans shall be sufficient in quantity and character to show the land at an adequate scale.

(3) The books of reference shall so far as practicable contain the names of the owners or reputed owners, lessees or reputed lessees, and occupiers of the land that is proposed to be acquired.

(4) The maps, plans and books of reference shall be deposited at such place or places as NAMA considers suitable and shall remain so deposited for at least 21 days after publication of the initial notice. While so deposited, they shall be open to inspection, free of charge, between 10 o'clock in the morning and 4 o'clock in the afternoon on every day except Saturdays, Sundays and public holidays.

162.—(1) A person claiming an estate or interest in land in relation to which an initial notice has been published and served may lodge with the Court, within 21 days after the publication of the initial notice, an objection to the making of an acquisition order in relation to the land, setting out the grounds on which the objection is based.

Consideration by Court of objections.

(2) In determining an application by NAMA under this Chapter, the Court shall consider any objection lodged with the Court in accordance with *subsection (1)*.

(3) The Court is not obliged to consider any objection—

- (a) that is not lodged within the period allowed by *subsection (1)*, or
- (b) that does not show on its face the objector's estate or interest in the land concerned.

(4) In considering an objection under *subsection (1)*, the Court shall have regard to the nature of the objector's estate or interest in the land.

163.—(1) If no objection to NAMA's application is lodged with the Court within the period referred to in *section 162(1)*, the Court shall make an order authorising NAMA or a NAMA group entity nominated by NAMA to acquire the land concerned compulsorily in accordance with the terms of its application.

Acquisition order.

(2) If an objection to NAMA's application is lodged with the Court within the period referred to in *section 162(1)* the Court shall

[No. 34.] *National Asset Management Agency* [2009.]
Act 2009.

make an order referred to in *subsection (1)* if the Court is satisfied that—

- (a) one of the following applies:
 - (i) NAMA has reasonably formed the opinion referred to in *section 158(1)*;
 - (ii) a condition set out in *section 158(2)* is satisfied;
- (b) NAMA has complied with the obligation in *section 158(3)*, and
- (c) it is just and equitable to make the order.

(3) The Third Schedule to the Housing Act 1966 applies to an acquisition order subject to the following modifications:

- (a) references to a sum of money shall be construed as references to the equivalent sum in euro;
- (b) references to a housing authority or an authority shall be construed as references to NAMA;
- (c) references to the Minister shall be construed as a reference to the Court in the exercise of its functions under this Chapter;
- (d) the omission of Article 4, paragraphs (1) to (4) of Article 5 and Article 5(5)(d).

Notice to treat.

164.—(1) Where an acquisition order has been made, NAMA may serve a notice (referred to as a notice to treat) on every owner, lessee and occupier of the land (except tenants for a month or a shorter period).

- (2) A notice to treat—
 - (a) shall state that NAMA is willing to treat for the purchase of the several interests in the land, and
 - (b) shall require each owner, lessee and occupier—
 - (i) to state within a specified period (not less than one month from the date of service of the notice to treat) the exact nature of the interest in respect of which he or she claims compensation and details of the compensation claimed, and
 - (ii) if NAMA so requires, to distinguish separate amounts of that compensation in such manner as NAMA specifies in the notice to treat and show how each such amount is calculated.

(3) A notice to treat served under *subsection (1)* shall be taken to be a notice to treat for the purposes of the Acquisition of Land (Assessment of Compensation) Act 1919.

NAMA's power to take possession.

165.—(1) At any time after the making of an acquisition order and before conveyance or ascertainment of price, NAMA or the NAMA group entity nominated by NAMA under *section 163(1)*

may, subject to *subsection (2)*, enter on and take possession of the land to be acquired.

(2) NAMA or the nominated NAMA group entity referred to in *subsection (1)* shall not enter on or take possession of land under this section without giving any occupier or owner of the land at least 14 days' notice in writing of its intention to do so.

166.—(1) The amount of the price to be paid by NAMA for land shall, in default of agreement, be fixed under and in accordance with the Acquisition of Land (Assessment of Compensation) Act 1919. Determination of compensation.

(2) Section 63 and sections 69 to 79 of the Lands Clauses Consolidation Act 1845 apply to the price and, subject to *sections 167* and *169* of this Act, to the land acquired. For the purpose of the application of those sections a reference to the promoters of an undertaking shall be construed as a reference to NAMA.

(3) If NAMA or a NAMA group entity exercises its power of entry under *section 165*, NAMA is liable to pay compensation as if the provisions of the Lands Clauses Acts (within the meaning given by the Schedule to the Interpretation Act 1937) relating to entry on lands had been complied with and to pay interest upon that compensation from the date of entry at the rate applicable to compulsory purchase orders by local authorities in accordance with the provisions of the Housing Act 1966.

167.—(1) Where NAMA or a NAMA group entity has entered on and taken possession of land in accordance with *section 165* and the Court is satisfied that— Court may make compulsory transfer order.

- (a) the several estates or interests in the land have not been conveyed or transferred to NAMA or the nominated NAMA group entity,
- (b) it is necessary, in connection with the purposes for which NAMA has been authorised to acquire the land compulsorily, that the acquisition of the land should be completed, and
- (c) NAMA has made an offer in writing to each person having an estate or interest in the land who has furnished sufficient particulars of that estate or interest to enable NAMA to make an offer for it,

then the Court may make an order (in this Chapter referred to as a “compulsory transfer order”) vesting the land in NAMA or the nominated NAMA group entity subject to any terms and conditions that the Court thinks fit.

(2) After the Court makes a compulsory transfer order, NAMA shall within 7 days after having received notification from the Court of the making of the order—

- (a) publish in a newspaper circulating in the area of the land to which the order relates a notice stating that the order has been made, describing the land and naming a place where a copy of the order may be seen at all reasonable times, and

- (b) serve on every person appearing to NAMA to have an estate or interest in the land a notice that the order has been made and the effect of the order.

NAMA to inform Revenue Commissioners if certain liabilities exist.

168.—Where NAMA becomes aware, before the making of a compulsory transfer order, that a person from whom an estate or interest in the land is to be transferred by the order is subject to a liability for estate duty, succession duty or inheritance tax, NAMA shall notify the Revenue Commissioners of the Court’s intention to make the order.

Form and effect of compulsory transfer order.

169.—(1) A compulsory transfer order shall have attached to it a map of the land to which it relates.

(2) A compulsory transfer order vests in NAMA or the NAMA group entity nominated by NAMA under *section 163(1)* the land specified in it in fee simple free from encumbrances and all estates, rights, titles and interests of whatever kind (other than any public right of way) with effect from a date (not earlier than 21 days after the making of the order) specified in the order.

(3) NAMA shall cause a compulsory transfer order to be sent to the Property Registration Authority under the Registration of Title Act 1964 and the Registration of Deeds and Title Act 2006. The Property Registration Authority shall cause NAMA or the nominated NAMA group entity referred to in *section 163(1)* to be registered as owner of the land in accordance with the order.

Effect of compulsory acquisition without compulsory transfer order.

170.—(1) Upon the completion of a compulsory acquisition otherwise than by compulsory transfer order, all private rights of way and all rights of laying down, erecting, continuing or maintaining pipes, sewers, drains, wires or cables on, under or over the land concerned (together with the property in those pipes, sewers, drains, wires or cables) and all other rights or easements in or relating to the land shall (except so far as otherwise agreed by NAMA or the NAMA group entity nominated by NAMA under *section 163(1)* and the person entitled to the right) vest in NAMA or the nominated NAMA group entity without any conveyance or transfer.

(2) A person who suffers loss by the vesting, by virtue of *subsection (1)*, of a right or property is entitled to be paid compensation by NAMA.

(3) Compensation payable by virtue of *subsection (2)* shall be determined under and in accordance with the Acquisition of Land (Assessment of Compensation) Act 1919.

Service of notices.

171.—(1) A notice under this Chapter may be served on a person by sending it by registered post in an envelope addressed to him or her at his or her usual or last known address.

(2) If for any reason the envelope cannot be so addressed, it may be served on the person for whom it is intended by—

- (a) sending it by registered post in an envelope addressed to “the occupier” without stating his or her name, at the land to which the notice relates, or
- (b) affixing a copy of the notice prominently on the land.

CHAPTER 6

General Powers in Relation to Land

172.—(1) If a person owns charged land and—

Limitations on certain dealings in land, etc.

(a) the person—

(i) owns other land (in this subsection referred to as the “relevant land”) or holds an option to acquire such land, or

(ii) holds an interest in other land, or an option to acquire such an interest,

and

(b) unless the relevant land, the interest or the option were owned or held (as the case requires) by NAMA, the charged land would be unable to realise its full value for development, sale, leasing or any other use,

the person shall not deal with the relevant land, the interest or the option without giving reasonable written notice to NAMA.

(2) A dealing in contravention of *subsection (1)* is voidable at NAMA’s option except against a person who has in good faith and for value acquired an interest in the land concerned.

(3) A person who is the debtor in relation to an acquired bank asset, who is a person referred to in any of *subparagraphs (i), (ii), (iii), (v) or (vi) of section 70(1)(b)* or who is a person on whose behalf the debtor or the person referred to in one of those subparagraphs acts as a nominee or trustee in relation to an acquired bank asset shall not, if any of those persons is in default in relation to any acquired bank asset, acquire from NAMA or a NAMA group entity, any legal or beneficial interest in property comprised in the security forming part of any acquired bank asset in relation to which the default has occurred.

(4) The Minister may, if in the opinion of the Minister it is necessary to do so having regard to the purposes of this Act and, in particular, to the interests of taxpayers and the nature and extent of the default, make regulations—

(a) prohibiting or restricting the acquisition by a person who is in a prescribed class of debtors, or of persons directly or indirectly connected to debtors, of any legal or beneficial interest in property comprised in the security forming part of any acquired bank asset or any acquired bank asset of a prescribed class of acquired bank assets, where the debtor concerned is in material default of any payment obligation to NAMA or a NAMA group entity for which a satisfactory arrangement to remedy the default has not been made, and

(b) prescribing the requirements which such persons would be required to meet in order to acquire property comprised in the security forming part of any acquired bank asset or any acquired bank asset of a specified class of acquired bank assets from NAMA or a NAMA group entity.

(5) A draft of every regulation proposed to be made under *subsection (4)* shall be laid before each House of the Oireachtas and the regulation shall not be made until a resolution approving of the draft has been passed by each such House.

Set-off of
compensation.

173.—Where a person is indebted to NAMA or a NAMA group entity (whether under an acquired bank asset or otherwise) the amount of any compensation payable by NAMA or any other payment due by NAMA or a NAMA group entity to that person under this Act may, without prejudice to any other right of set-off arising as a matter of law, be applied towards satisfaction of the debt due to NAMA or the NAMA group entity.

CHAPTER 7

Powers in Relation to Development of Land

Interpretation
(*Chapter 7*).

174.—For the purposes of this Chapter, a reference in this Chapter to NAMA shall be construed, in relation to a bank asset that has been acquired by a NAMA group entity, as a reference to either NAMA or the NAMA group entity unless the contrary intention appears.

Application
(*Chapter 7*).

175.—This Chapter applies where an acquired bank asset includes a charge over development land and—

- (a) the Court has made a vesting order in relation to the land, or
- (b) the chargee's power of sale has become exercisable, or
- (c) a statutory receiver has been appointed.

Development of
land.

176.—(1) Where this Chapter applies, NAMA may enter into an agreement (including an agreement with the person who was the debtor in relation to the bank asset concerned) for the purpose of developing the land.

(2) NAMA's objective in entering into an agreement under *subsection (1)* shall be the orderly development of the land concerned to secure the best return reasonably possible.

NAMA to have
certain contractual
rights of land
developers.

177.—(1) Where this Chapter applies, NAMA has, without prejudice to any rights arising at law, the same rights as the participating institution and the debtor and any associated debtor, guarantor or surety in relation to the acquired bank asset concerned in relation to any breach of contract or obligation (including defective design or workmanship in any building or other structure constructed or to be constructed, or works to be carried out, on, in or under the land concerned). All such rights shall be taken to have been assigned to NAMA by the acquisition by NAMA of the bank asset, subject to—

- (a) any obligations or liabilities of the participating institution under the relevant bank asset, and
- (b) any exclusion of obligations and liabilities from the acquisition set out in the relevant acquisition schedule.

(2) Where under *subsection (1)* NAMA acquires a right in relation to any breach of contract or obligation, NAMA may, by certificate under its seal, confer that right on another person.

178.—(1) Where—

- (a) this Chapter applies, and
- (b) there is an agreement with a person in relation to the development of the land concerned,

Designs and
planning documents
for land
development.

then—

- (i) the person shall deliver to NAMA, on demand, a copy of the agreement (and, if under the agreement any design, plan or other document has been prepared for the purposes of the development of the land, a copy of the design, plan or other document prepared), and
- (ii) NAMA may elect to continue, in accordance with its terms, the agreement (with or without entering into a further agreement with the person) as it thinks fit and if it does continue the agreement, NAMA shall assume the rights and obligations under that agreement.

(2) Where an agreement referred to in *subsection (1)(b)* creates a lien over any design, plan or document prepared for the purposes of the development, the lien is void as against NAMA, without prejudice to the claim underlying the lien.

(3) Without prejudice to *subsection (1)(b)(ii)*, where an agreement referred to in *subsection (1)(b)* confers a right to do so on a participating institution, NAMA may direct the participating institution to assign the agreement to NAMA and when NAMA does so, the participating institution shall comply with the direction.

(4) Where an agreement referred to in *subsection (1)(b)* is assigned to NAMA in accordance with a direction under *subsection (3)*, or NAMA makes an election under *subsection (1)(b)(ii)*, NAMA is not liable for any breach of the agreement that occurs, or liability that arises, before the assignment or the election to continue the agreement.

(5) Where a participating institution cannot assign to NAMA any licence that it holds, then NAMA, at its option, shall, by virtue of this section, be taken to hold a licence from the person referred to in *subsection (1)(b)*—

- (a) authorising the reproduction, making available, adaptation, distribution and use by NAMA of any intellectual property of the person in any drawings, designs, plans or other documents referred to in that subsection, and
- (b) authorising NAMA to grant a sub-licence of that licence.

(6) Where a licence held by a participating institution—

- (a) does not authorise the reproduction, making available, adaptation, distribution and use by the participating institution of any intellectual property of the person referred to in *subsection (1)(b)* in any drawings, designs, plans or other documents referred to in that subsection, or

[No. 34.] *National Asset Management Agency* [2009.]
Act 2009.

- (b) does not authorise the participating institution to grant a sub-licence of the licence,

then, at its option, NAMA shall, by virtue of this section, be taken to hold a licence from the person authorising it to do the things mentioned in *paragraphs (a) and (b)*.

(7) Nothing in this section deprives a person of—

- (a) fair and reasonable remuneration for work already done, or
- (b) a fair and reasonable licence fee in relation to a licence referred to in *subsection (5)*.

Limitation of right to renewal of certain business tenancies.

179.—Section 16 of the Landlord and Tenant (Amendment) Act 1980 does not apply in relation to a tenancy (other than a renewal of an existing tenancy) granted by NAMA or a NAMA group entity of a tenement (within the meaning given by section 5 of that Act) unless NAMA or the NAMA group entity specifies otherwise in writing.

PART 10

LEGAL PROCEEDINGS

CHAPTER 1

Interpretation

Interpretation (*Part 10*).

180.—In this Part:

- “Court” means the High Court;
- “court” includes an arbitrator;
- “defendant” includes a respondent in arbitration proceedings;
- “plaintiff” includes an applicant in arbitration proceedings.

CHAPTER 2

Legal Proceedings Commenced on or after 30 July 2009

Application (*Chapter 2*).

181.—(1) The provisions of this Chapter apply in relation to legal proceedings commenced on or after 30 July 2009 by a person who is a debtor, associated debtor, guarantor or surety in relation to a bank asset, or a participating institution in connection with a bank asset if the bank asset is specified (whether at the commencement of the proceedings or afterwards) in an acquisition schedule.

(2) The provisions of this Chapter apply in relation to legal proceedings referred to in *subsection (1)* on and from the time at which the bank asset concerned is specified in an acquisition schedule.

Damages to be only remedy for certain claims.

182.—(1) Subject to *subsection (2)*, a claim to which this Chapter applies gives rise only to a remedy in damages or other relief that does not in any way affect the bank asset, its acquisition, or the interest of NAMA or the NAMA group entity or (for the avoidance

of doubt) any property the subject of any security that is part of such a bank asset.

(2) A person may apply for an order that the person may apply for a remedy other than or in addition to that permitted by *subsection (1)* in relation to a claim to which this Chapter applies.

(3) An application for an order mentioned in *subsection (2)* shall be made only by leave of the Court. An application for such leave may be made *ex parte*.

(4) Leave shall not be granted to apply for an order under *subsection (2)* unless the Court is satisfied that the application raises a substantial issue for the Court's determination and—

(a) the application for leave is made to the Court within 30 days after the later of—

(i) the notification by the participating institution to the relevant debtor, associated debtor, guarantor or surety under *section 96*, and

(ii) the accrual of the cause of action in respect of which the legal proceedings arose,

or

(b) the Court is satisfied that—

(i) there are substantial reasons why the application was not made within that period, and

(ii) it is just and equitable in all the circumstances to grant leave having regard to the interests of any affected person.

(5) If the Court grants leave to apply for an order under *subsection (2)*, the applicant shall serve on NAMA the order granting leave and the application.

(6) The Court shall make an order under *subsection (2)* if and only if the Court is satisfied that if the applicant's claim were established, damages would not be an adequate remedy.

(7) For the avoidance of doubt, this Chapter applies to proceedings in being at the time of specification in an acquisition schedule of a relevant bank asset.

(8) Nothing in this section prevents a party—

(a) defending proceedings *in rem* in respect of a bank asset instituted against it by NAMA, a NAMA group entity, a participating institution or a statutory receiver, in a manner which might affect the bank asset, its acquisition by NAMA or a NAMA group entity or any property the subject of any security, or

(b) in the defence of such proceedings, making any claim in relation to such a bank asset.

(9) Nothing in the section affects the operation of the Family Home Protection Act 1976.

CHAPTER 3

Legal Proceedings Generally

Application
(Chapter 3).

183.—This Chapter applies in relation to all legal proceedings—

- (a) to which NAMA or a NAMA group entity is or becomes a party,
- (b) relating to a designated bank asset or acquired bank asset, or
- (c) otherwise relating to NAMA.

Conduct of legal proceedings in relation to acquired bank assets.

184.—(1) Where NAMA or a NAMA group entity is a party to any legal proceedings affecting an acquired bank asset, the participating institution from which the bank asset was acquired shall, without prejudice to any other obligation arising under this Act, if NAMA or the NAMA group entity so requests, provide NAMA or the NAMA group entity with any assistance reasonably required by NAMA or the NAMA group entity for the purpose of the proceedings, including—

- (a) the provision of documents or information,
- (b) the making available of witnesses, and
- (c) the provision of evidence by affidavit or otherwise.

(2) A participating institution has, and shall be taken always to have had, as part of its functions and objects, the power and capacity to give the assistance required by *subsection (1)*.

Effect of acquisition, etc., of bank assets on legal proceedings — participating institution plaintiff, etc.

185.—(1) If legal proceedings were in being in relation to a bank asset immediately before the time when it was acquired under this Act, and the participating institution concerned was a plaintiff in those proceedings, those proceedings shall continue. After the bank asset is acquired, NAMA or the NAMA group entity concerned may elect to be substituted for the participating institution, in its capacity as plaintiff, in the proceedings.

(2) If NAMA or a NAMA group entity is substituted under *subsection (1)*, subject to this section it assumes all of the rights and obligations in relation to the relevant proceedings that the participating institution had immediately before that time, other than the obligations in relation to the defence of or liability for any counterclaim or cross-claim. The participating institution has full rights in relation to, and is solely liable for any remedy awarded in relation to, any such counterclaim or cross-claim.

(3) Notwithstanding *subsection (1)*, where NAMA or a NAMA group entity is substituted under *subsection (1)*, the participating institution remains a party to the proceedings as defendant or respondent to any counterclaim or cross-claim in the proceedings.

(4) Where NAMA or a NAMA group entity is substituted under *subsection (1)*—

- (a) the court may order the participating institution to make discovery or answer interrogatories as if it were still a party to the proceedings, and
- (b) NAMA or the NAMA group entity shall not be ordered to make discovery or answer interrogatories unless the court considers it necessary to do so for any special reason in the interests of justice.

(5) Notwithstanding *subsection (1)*, an election by NAMA or a NAMA group entity to be substituted under *subsection (1)* does not render NAMA or the NAMA group entity liable in relation to any counterclaim or cross-claim, or claim to set off, in those proceedings.

(2) The Court shall grant leave under *subsection (1)* only if that Court certifies that its decision involves a point of law of exceptional public importance and that it is desirable in the public interest that an appeal should be taken to the Supreme Court.

(3) This section does not apply to a determination of the Court in so far as it involves a question as to the validity of any law having regard to the provisions of the Constitution.
