4. (1) In this Regulation—

(a) a reference to the “first limb of the relevant definition” is a reference to point (i) of point (6)(a) of Article 3 of the Directive; and

(b) a reference to “both limbs of the relevant definition” is a reference to points (i) and (ii) of that point (6)(a).

(2) Every relevant entity shall take all reasonable steps to obtain and hold adequate, accurate and current information in respect of its beneficial owners, that is to say—

- (b) there is any doubt that that any natural person so identified is a beneficial owner of the relevant entity,

there shall be entered, in the relevant entity's beneficial ownership register as its beneficial owners, the one or more natural persons who hold the position of senior managing officials of the relevant entity (including their date of birth, nationality and residential addresses).

(5) In a case falling within paragraph (4)(a) or (b), a relevant entity shall keep records of the actions taken in order to identify the beneficial ownership of it under both limbs of the relevant definition.

(6) A relevant entity that fails to comply with paragraph (2), (3), (4) or (5) commits an offence and shall be liable, on summary conviction, to a class A fine.

(b) that the addressee is to comply with the notice by no later than the end of the period of one month beginning with the date of the notice.

(4) Nothing in this Regulation shall be construed as requiring a person to whom a notice under it is given to disclose any information in respect of which a claim to legal professional privilege could be maintained in legal proceedings.
