STATUTORY INSTRUMENTS.

S.I. No. 12 of 2022

AVIAN INFLUENZA (TEMPORARY MEASURES) (NO.7) REGULATIONS 2021 (SECOND AMENDMENT) REGULATIONS 2022
S.I. No. 12 of 2022

AVIAN INFLUENZA (TEMPORARY MEASURES) (NO.7) REGULATIONS 2021 (SECOND AMENDMENT) REGULATIONS 2022

The Minister for Agriculture, Food and the Marine, in exercise of the powers conferred on him by section 36 of the Animal Health and Welfare Act 2013 (No. 15 of 2013) and for the purpose of giving full effect to Commission Regulation (EU) 2020/687 of 17 December 2019 in so far as that Regulation applies to avian influenza, makes the following regulations:

1. These Regulations may be cited as the Avian Influenza (Temporary Measures) (No.7) Regulations 2021 (Second Amendment) Regulations 2022 and, subject to Regulation 3, come into operation on 13 January 2022.

2. The Avian Influenza (Temporary Measures) (No.7) Regulations 2021 are amended –
   (a) in Regulation 2, by the deletion of “and protection zone 5”,
   (b) by the deletion of Regulation 3 (a) (inserted by the Avian Influenza (Temporary Measures) (No.7) Regulations 2021 (Amendment) Regulations 2022),
   (c) in Part 2 of Schedule 1 by the deletion of “(apart from the townlands situate in protection zone 5)” in each place where it occurs, and
   (d) by the deletion of Part 5 of Schedule 2.

3. From 16 January 2022, the Avian Influenza (Temporary Measures) (No.7) Regulations 2021 are amended by the deletion of Part 1 (inserted by the Avian Influenza (Temporary Measures) (No.7) Regulations 2021 (Amendment) Regulations 2022) and Part 3 of Schedule 1.

GIVEN under the Official Seal of the Minister for Agriculture, Food and the Marine,

JUNE FANNING,
An officer authorised to authenticate the Seal of the Minister.

---

Notice of the making of this Statutory Instrument was published in “Iris Oifigiúil” of 14th January, 2022.
EXPLANATORY NOTE

(This note is not part of the instrument and does not purport to be a legal interpretation)

These Regulations provide for the removal of certain temporary measures formerly in place to combat the threat posed by avian influenza.
