EXPLANATORY NOTE

(This note is not part of the Instrument and does not purport to be a legal interpretation.)

These Regulations are made under sections 4(2) and 262(4) of the Planning and Development Act 2000, as amended.

These Regulations amend the existing Planning and Development Regulations 2001 to provide an exemption for the Health Service Executive (HSE) for a temporary change of use of buildings, or parts of buildings, including schools, hotels and convention centres as public vaccination or public testing centres. This provides a temporary step-down exemption for the HSE for changes of use only following the cessation of the Planning and Development Act 2000 (Section 181) Regulations 2020 (S.I. No. 93 of 2020), which Regulations were commenced on 27 March 2020 to address the COVID-19 civil emergency.

The exemption can only be availed of by the HSE to prevent or alleviate the risk to public health posed by the spread of an infectious disease. Temporary changes of use shall be discontinued after a period not exceeding 12 months and the Regulations shall only remain in effect for two years following their commencement.
