“reckonable service” means –

(a) the number of years of a member’s qualifying service during which he or she was a member of a county council, city council, or city and county council,

(a) where his or her qualifying service is not less than 3 years and less than 5 years, a period equivalent to such qualifying service, or, if less, an amount of notional service equivalent to the period of additional qualifying service which he or she would have if he or she had served to the age of 66 years,

(b) where his or her qualifying service is not less than 5 years and less than 10 years, the greater of –

(i) 10 years less the amount of his or her qualifying service, or, if less, an amount of notional service equivalent to the

would have if he or she had served to the age of 66 years,
or

service equivalent to the period of additional qualifying
service which he or she would have if he or she had served
to the age of 50 years,

(iii) where his or her qualifying service is 10 years or more, 3
years and 122 days, or, if less, an amount of notional service
equivalent to the period of additional qualifying service
which he or she would have if he or she had served to the
age of 50 years.

(2) Any notional service added to a person’s qualifying service under this
Regulation shall, for the purposes of determining his or her gratuity service, be
deemed to have been qualifying service in the position which he or she held
when he or she ceased to be a member and the provisions of the definition of
“reckonable service” in Regulation 2(1) shall be applied to it as if it were such
qualifying service.

(3) (a) A period of notional service shall not be added under this
Regulation where the qualifying service of a member amounts to
20 years or more.

(b) The sum of a member’s qualifying service and any period of
notional service added to such qualifying service under this
Regulation shall not be greater than 20 years.

Grant of gratuity

4. (1) Subject to paragraph (3), where a person ceases to be a member having
not less than 2 years’ qualifying service, the appropriate local authority shall
grant to him or her (or, in the case of his or her death, to his or her legal personal
representative) a gratuity in any of the specified circumstances in paragraph (2).

(2) The specified circumstances specified in paragraph (1) are as follows:

(a) where the person has attained the age of 50 years,

(b) where the person ceases to be a member on account of his or her
having become incapable of performing his or duties as a member
by reason of permanent infirmity of mind or body, or

(c) where the person dies while a member and a gratuity would have
been granted to him or her if he or she had ceased to be a member
by reason of permanent infirmity of mind or body on the date of
his or her death.

(3) Notwithstanding paragraph (1), a gratuity may be granted to the legal
personal representative of a person who dies while a member with less than the
minimum number of years’ qualifying service specified therein.
Determination of gratuity

5. (1) (a) Subject to paragraph (2), the amount of the gratuity to be granted pursuant to Regulation 4 to a person shall be determined as -

\[ \frac{A \times B \times 3}{20} \]

(b) In this paragraph -

A is the applicable annual rate payable by virtue of Regulation 6(1) and (2) of the 2021 Regulations on the date he or she ceased to be a member, and

B is the number of years of his or her gratuity service.

(2) Where a gratuity is granted pursuant to Regulation 4(2)(c), in determining the gratuity the provisions of Regulation 3 shall apply as if the person had ceased to be a member by reason of permanent infirmity of mind or body on the date of his or her death. In addition, the minimum gratuity granted in any case where the death of the member occurs on or after the date of the making of these Regulations, shall be equal to the applicable annual rate payable by virtue of Regulation 6(1) and (2) of the 2021 Regulations on the date of death of the member.

(3) A gratuity determined under this Regulation shall be payable by the appropriate local authority as soon as is practicable following the date the person ceases to be a member. Where the gratuity is granted pursuant to Regulation 4(2)(c), it shall not be paid until such time as probate or other proof of title of the legal personal representative of the deceased member is furnished to the appropriate local authority.

Preservation of gratuity

6. (1) Where a person ceases to be a member before he or she has attained the age of 50 years, other than in circumstances where the provisions of subparagraph (b) or (c) of Regulation 4(2) apply, and he or she has at that time not less than 2 years' qualifying service, the appropriate local authority shall grant to him or her (or, in the case of his or her death before attaining the age of 50 years, to his or her legal personal representative) a preserved gratuity with effect from the date he or she attains the age of 50 years or, if earlier, the date of his or her death.

(2) The amount of the preserved gratuity to be granted to or in respect of a person pursuant to paragraph (1) shall be determined in accordance with Regulation 5, subject to the proviso that, in the application of the formula contained in paragraph (1) of that Regulation –

A shall be the applicable annual rate payable by virtue of Regulation 6(1) and (2) of the 2021 Regulations on the date he or she attained the age of 50 years or the date of his or death, as appropriate.

(3) Where a person who ceased to be a member in the circumstances specified in paragraph (1) subsequently, but before he or she attains the age of 50 years, becomes a member, any entitlement under this Regulation shall cease.
(4) A preserved gratuity determined under Regulation 5 and paragraph (2) shall be payable by the appropriate local authority as soon as is practicable following –

(a) the date the person attains the age of 50 years, or
(b) in the case of his or her death before attaining the age of 50 years, the date of death,

subject to the proviso that, where the preserved gratuity is payable pursuant to subparagraph (b), it shall not be paid until such time as probate or other proof of title of the legal personal representative of the deceased is furnished to the appropriate local authority.

Former member who was granted gratuity becoming member again

7. (1) Where a person who –

(a) was granted a gratuity pursuant to Regulation 4, and
(b) subsequently becomes a member,

ceases, having not less than 2 years’ qualifying service, in respect of such subsequent membership, to be a member in any of the circumstances specified in paragraph (2) of that Regulation, the appropriate local authority shall grant to him or her (or, in the case of his or her death, to his or her legal personal representative) a gratuity in respect of his or her subsequent period of membership, subject to the proviso that the number of years of qualifying service which the person had at the time the original gratuity was granted, together with any period added to such qualifying service pursuant to Regulation 3, was less than 20 years.

(2) The amount of a gratuity to be granted to a person referred to in paragraph (1) shall be determined in accordance with Regulation 5, subject to the proviso that, in the application of the formula contained in paragraph (1) of that Regulation -

B shall be the number of years of his or her gratuity service as determined by the lesser of –

8. (1) A local authority shall exchange such information relating to a member’s qualifying service with any other local authority as may be required in relation to the grant, determination or payment of a gratuity.
