## EXPLANATORY NOTE

*(This note is not part of the Instrument and does not purport to be a legal interpretation.)*

This Order extends the Revenue requirements for electronic tax returns to returns made in connection with certain importations of excisable products from other EU Member States.

Chapter 6 of Part 38 of the Taxes Consolidation Act 1997 (as inserted by section 209 of the Finance Act 1999) provides the legislative framework for electronic tax returns. That Chapter only applies where the provision under which the return is made is specified in an order made by the Revenue Commissioners. By specifying the provisions of excise law under which certain returns are made, this order extends the provisions of the Chapter to those returns.

This Order provides that the Chapter is to apply to returns which are required to be made on or after 24th July 2007.

The returns which are required under the excise provisions specified in this Order are—

- Declaration for payment of excise duty on products imported from another Member State which have already been subject to excise duty in that Member State,
- Declaration for payment of excise duty on products imported from another Member State under a duty-suspension arrangement.
