EXPLANATORY NOTE

(This note is not part of the Instrument and does not purport to be a legal interpretation.)

This Statutory Instrument transposes Directive 2009/122/EC of the European Parliament and of the Council of 14 September, 2009 and is a companion of Directive 2009/121/EC of the European Parliament and of the Council of 14 September, 2009. Directive 2009/121/EC covers the names and definitions of various textile products whereas Directive 2009/122/EC covers the methods for testing these textiles. Commission Directive 2009/122/EC amends Directive 96/73/EC by adding the analytical method for testing the textile called “melamine”.
