EXPLANATORY NOTE

(This note is not part of the Instrument and does not purport to be a legal interpretation.)

The purpose of these Regulations is to amend the European Communities (Customs Action against Goods Suspected of Infringing certain Intellectual Property Rights) Regulations 2005 (S.I. No. 344 of 2005), concerning Customs action against goods suspected of infringing certain intellectual property rights and the measures to be taken against goods found to have infringed such rights.

Regulation 2(2) gives effect to Article 11 of Council Regulation (EC) No. 1383/2003 (OJ L 196, 02.08.2003, p.7). It inserts a simplified procedure to enable the Revenue Commissioners to treat as abandoned for destruction, goods suspected of infringing an intellectual property right. The agreement of those parties to the destruction of the goods will be presumed where they fail to specifically oppose such destruction within the period prescribed in Article 11 of the Council Regulation. In all other cases, the terms of Article 13 of the Council Regulation apply.
