- (c) An applicant solicitor who pays the application fee by electronic funds transfer shall ensure that the application fee is paid to the bank account provided in the EFT payment form. The Society shall not be responsible for any delay in processing applications where payment has been made by an applicant solicitor to an incorrect bank account of the Society.
- (d) A solicitor shall not be required to pay a membership subscription fee where that solicitor has been admitted to the Roll for a period of at least fifty years as of 1 January in that year.

- (e) Where a solicitor who is admitted to the Roll during the course of a practice year applies for his or her first practising certificate during that practice year, the application fee shall be based on the number of full calendar months remaining in that practice year following the month of his or her admission to the Roll. That solicitor's membership subscription fee in respect of that practice year (or part thereof) shall be at the reduced rate of twenty euro (€20).
- (f) A solicitor who commences practice during the practice year on a date arising after the relevant date shall calculate the application fee based on the number of full calendar months, or any part thereof, remaining in the practice year including the calendar month in which the application for a practising certificate is made.
